Subject: Agenda item

I would like to have 3 items placed on an agenda, hopefully the 26th, for discussion and possible action or direction.

1 - potential of a joint resolution between the City of NP and Charlotte County in regards to collaborative support of interstate 75 interchanges in the Yorkshire/Raintree area. To be developed between both municipality's staff.

2- request a joint meeting with the Sarasota commission in October before elections.

3- request a joint meeting with Charlotte County to be held in NP between elections and installations of positions.

Thank you - Jill Luke
