Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

Having retired early, I am in search of a way to serve my Florida community. I have spent the last 10 years serving on various boards in Indiana from Child Advocacy to a statewide Environmental Education Association. We purchased a home in North Port in 2021 and my terms on boards in Indiana expired. I do spend the summer in Indiana with my family where I work part time. My interests and skills are in education and the environment. I have good listening, communication and administrative skills. With an interest in the economics of ideas, I wish to help be part of North Port's growth in an environmentally responsible manner. I wish to help North Port prosper as a place to be proud to be a resident.
