Heather –

Here are some recommended changes:

Advisory boards:

At the 35M mark - The City Attorney weighed in about procedures for Sunshine training to advisory boards **This is good as is, it fell under commission discussion and questions (response to question). No change needed.**

At the 42M mark – The City Attorney explained state statute prevents dual office holding and an advisory board member is holding an “office” **Please add after Chuck’s public comment “Ms. Slayton spoke to state statute regarding dual office holding.”**

Thanks
Debbie
