Title: New Grant Application – Bullet Proof Vest Program
Version: 1.1.0

Per Resolution 2021-R-09, Section 2.03, City Commission directed the City Manager or designee to distribute a memo to the City Commission identifying all City-submitted grant applications. Staff has started the application process on a 2022 Patrick Leahy Bulletproof Vest Grant application for body armor. The anticipated amount of the grant request is \$31,440 and would require a 50% match of \$15,720, expected to be paid from account 001-2100-521-52-07 in the Police Department General Fund budget.

The grant deadline is June 27, 2022. Notification of award is expected no later than September 30, 2022. If awarded, this would be a reimbursable grant. The City spends first, then submits reimbursement request to the granting agency for review and payment.
