Re: District Review and Approval of Wellen Park Golf and Country Club, Phase 1C

To Whom It May Concern:

I serve as District Engineer to the West Villages Improvement District (the “District”), a local unit of special-purpose government partially located in the City of North Port, Florida (the “City”). Please be advised that District staff has reviewed and approved the form of that certain draft plat of Wellen Park Golf and Country Club, Phase 1C, attached to this letter, being submitted to the City by Lennar Homes, LLC. If applicable, the District consents to the street tree and landscape easements, as required by the West Villages District Pattern Book, being granted to the applicable homeowners’ association, as shown in the draft plat. Accordingly, upon approval by the City Commission, the District will be prepared to, promptly thereafter, execute the plat for recording purposes.

Should you have any questions regarding the foregoing, please do not hesitate to contact me at (941) 702-9672 or rellis@dewberry.com.

Sincerely,

Richard Ellis, P.E.
Dewberry Engineers Inc.
