Re: New Grant Memo: Alzheimer's Foundation of America Project Lifesaver International Grant

Per Resolution 2021-R-09, Section 2.03, City Commission directed the City Manager or designee to distribute a memo to the City Commission identifying all City-submitted grant applications. Staff has applied to the Alzheimer's Foundation of America Project Lifesaver International Grant for funding to expand North Port Police Department's current Project Lifesaver Program through obtaining additional program equipment and supplies. We have requested \$6,000 for this grant. No matching funds are required.

The Project Lifesaver International Grant program helps fund wandering prevention programs and other public safety initiatives designed to protect individuals living with dementia-related illnesses such as Alzheimer's disease.

Funds will be provided from the granting agency for implementation of this project upon award notification. The grant deadline was November 18, 2022. Notification of award is expected winter 2023.
