The exercise, or the beginning of the exercise, of one remedy will not be deemed to be a waiver of the right to exercise, at the same time or thereafter, any other remedy. The City's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to it in law or in equity.

12. INDEPENDENT CONTRACTOR

Information the City deems necessary in order to make a determination shall be provided by the firms upon request.

No work assignment will exceed the statutory limits provided for continuing contracts in Florida Statutes, Section 287.055(2)(g), as amended. If these limits are amended in the future the new limits will apply to the proposed contract.

All work assignments \$100,000 or greater requires Commission approval.

Reasonable attempts will be made to equalize projects amongst qualified candidates in terms of project worth with the objective of effecting an equitable distribution of work assignment fees

among qualified firms provided such distribution does not violate the principle of selection of the most highly qualified firm responding to a particular Letter of Interest. The respondent to a Letter of Interest deemed most qualified will be chosen to submit a scope and lump sum fee for the work assignment. The City may use direct select for work assignments or request for letters of interest method for individual work assignments as outlined below.

B. Non-Exclusivity

No guarantee of certain services, volume of work, or quantity of projects is implied. This contract does not entitle any firm to exclusive rights to City contracts. The City reserves the right to acquire professional services from other firms or perform "in-house" services for any purpose as it deems appropriate. The City may, in its sole discretion, procure the services of any Consultant at any time for any project other than those selected for this continuing contract.

1. Letter of Interest Process

When the City requires professional services, it is anticipated, but not necessarily required, that the process will proceed in the following manner:

- i) For each specific project to be completed under a continuing services contract, Neighborhood Development Services (NDS) will send a Letter of Interest to all qualified firms awarded the continuing services agreement. The Letter of Interest that will include, but not be limited to, the following information along with request for interested firms to submit a qualifications-based proposal for the specific project.

The Consultant shall neither commence any work, nor enter a City work premise, until the Consultant has received a **fully executed work assignment** from the City serving as written Notice to Proceed (“NTP”).

The parties agree that the scope of services for any work assignment is a description of Consultant’s obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Consultant impractical, illogical, or unconscionable.

Consultant and City acknowledge that Scope of Services may not delineate every detail and minor work task required to be performed by Consultant to complete the project. If, during the performance of the services included in the work assignment, Consultant determines that work should be performed to complete the project which is in the Consultant’s opinion outside the level of effort originally anticipated, whether the Scope of Services identifies the work items, Consultant shall notify the City in writing in a timely manner before proceeding with the work. If Consultant proceeds with said work without notifying the City, said work shall be deemed to be within the original level of effort, whether specifically addressed in the Scope of Services. Notice to the City does not constitute authorization or approval by City to perform the work. Performance of work by Consultant outside the originally anticipated level of effort without prior written City approval is at Consultant’s sole risk.

Consultant acknowledges and agrees that services under this Agreement will be requested by City on an as-needed basis only, and no representation or guarantee is made by City to Consultant that City will utilize Consultant’s services exclusively or at all.

C. Direct Select Work Assignment Process

Upon approval from the Sr. Purchasing Administrator or designee, City staff may forego the Letter of Interest process and proceed directly with the work assignment process. A scope with itemized tasks and fee schedule based on contracted hourly rates will be obtained from one of the contracted firms, reviewed, negotiated, and awarded. This process will be used when circumstances warrant a more expedient process.

No claim for reimbursement for these expenses shall be made to the City:

- B. Three (3) sets of signed and sealed permitting plans.
- C. Computer usage, telephone expenses, fax, copies, printing, and postage.
- D. Subconsultant mark-up.

A copy of the invoice for each reimbursable expense shall be attached to Consultant's invoice.

The City will not allow prime consultant markups on any services provided by a sub-consultant.

All requests for changes to the resulting Agreement shall be made in writing and are subject to approval by the appropriate level of City authority.

All change orders, including no-cost change orders, to work assignments require approval by City Manager, at a minimum. Some change orders will require Commission approval.

The Consultant shall fully understand the City's Change Order policy. In the event the Consultant begins work on unauthorized changes to scope prior to receiving a signed Change Order by the City's appropriate level of authority, they do so at their own expense and risk not being compensated by the City for performing unauthorized work.
