To the .gov Program:

As Mayor of North Port, FL, I request that responsibility for the domain name developnorthportfl.gov be delegated to my municipality.

The City of North Port would like to establish the .gov domain to better serve our community and businesses. The .gov domain is recognized as a genuine government or public sector organization minimizing the risk of misleading the customers, we serve by helping them to know they are looking at a legitimate address.

We are also looking to establish our security posture by making this Economic Development website secure and the .gov domain aligns with that initiative.

In order to obtain and maintain developnorthportfl.gov, North Port will meet the general and specific requirements for federal agencies, found at <https://home.dotgov.gov/registration/requirements>.
