Notwithstanding the foregoing, no officer, employee, director, member or other natural person or agent of CITY shall have any personal liability in connection with the breach of the provisions of this Section or in the event of a default by CITY under this Section. THE CONTRACT DOES NOT CONSTITUTE A WAIVER OF SOVEREIGN IMMUNITY OR CONSENT BY THE CITY OR ITS SUBDIVISIONS TO SUIT BY THIRD PARTIES.

- B. THE CITY MUST PROVIDE ALL AVAILABLE INFORMATION AND ASSISTANCE THAT THE CONSULTANT MAY REASONABLY REQUIRE REGARDING ANY CLAIM. IN THE EVENT OF A CLAIM, THE CITY MUST PROMPTLY NOTIFY THE CONSULTANT IN WRITING BY PREPAID CERTIFIED MAIL (RETURN RECEIPT REQUESTED) OR BY DELIVERY THROUGH ANY NATIONALLY RECOGNIZED COURIER SERVICE (SUCH AS FEDERAL EXPRESS OR UPS) WHICH PROVIDES EVIDENCE OF DELIVERY, AT THE ADDRESS PROVIDED FOR RECEIPT OF NOTICES IN THIS CONTRACT.
- C. THIS AGREEMENT FOR INDEMNIFICATION SHALL SURVIVE TERMINATION OR COMPLETION OF THE CONTRACT. THE INSURANCE COVERAGE AND LIMITS REQUIRED IN THIS CONTRACT MAY OR MAY NOT BE ADEQUATE TO PROTECT THE CITY AND SUCH INSURANCE COVERAGE WILL NOT BE DEEMED A LIMITATION ON THE CONSULTANT'S LIABILITY UNDER THE INDEMNITY PROVIDED IN THIS SECTION. The policies of insurance shall be primary and written on forms acceptable to the CITY and placed with insurance carriers approved and licensed by the Insurance Department of the State of Florida and meet a minimum financial AM Best and Company rating of no less than "Excellent." No changes are to be made to these specifications without the prior written approval of the City Manager or designee. The City Manager or designee may alter the amounts or types of insurance policies required by this Contract upon agreement with CONSULTANT.
2. The below insurance requirements are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The CITY in no way warrants

that the minimum limits contained herein are sufficient to protect the CONSULTANT from liabilities that might arise out of the performance of the work done under this Contract by the CONSULTANT, its agents, representatives, employees, or subcontractors. CONSULTANT is free to purchase such additional insurance as it may determine necessary.

- B. Workers' Compensation and Employers' Liability Insurance: Coverage to apply for all employees at the statutory limits provided by state and federal laws.  - a. Apply separately to each insured against whom claim is made and suit is brought, except with respect to limits of the insurer's liability.
 - b. Be endorsed to state that coverage shall not be suspended, voided, or cancelled by either party except after notice is delivered in accordance with the policy provisions. CONSULTANT is to notify the CITY'S Purchasing Office by written notice via certified mail, return receipt requested.

4. The CITY shall retain the right to review, at any time, coverage, form, and amount of insurance.
5. The procuring of required policies of insurance must not be construed to limit CONSULTANT'S liability nor to fulfill the indemnification provisions and requirements of this Contract. The extent of CONSULTANT'S liability for indemnity of the CITY shall not be limited by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between CONSULTANT and its carrier.
6. CONSULTANT shall be solely responsible for payment of all premiums for insurance contributing to the satisfaction of this Contract and shall be solely responsible for the payment of all deductibles and retentions to which such policies are subject, whether or not the CITY is an insured under the policy. If CONSULTANT fails to cure within the ten (10) days, the City Manager or designee can immediately terminate the Contract and/or refuse to make any additional payment, in whole or in part, and if necessary may demand the return of a portion or the entire amount previously paid to CONSULTANT due to:

- G. In the event that the CITY makes written demand upon CONSULTANT for amounts previously paid by the CITY as contemplated in this section, CONSULTANT must promptly comply with such demand. The CITY'S rights hereunder survive the term of this Contract and are not waived by final payment and/or acceptance.
- H. **REMEDIES:** In the event of a default or breach of the contract terms, the City may avail itself of each and every remedy specifically given to it now existing at law or in equity, and each and every such remedy will be in addition to every other remedy so specifically given or otherwise so existing and may be exercised from time to time and as often and in such order as may be deemed expedient by the City. The exercise, or the beginning of the exercise, of one remedy will not be deemed to be a waiver of the right to exercise, at the same time or thereafter, any other remedy. The City's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to it in law or in equity.
- 11. INDEPENDENT CONTRACTOR:** CONSULTANT is and shall be, in the performance of all work services and activities under this Contract, an independent contractor and not an employee, agent, or servant of the CITY. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times and in all places be subject to CONSULTANT'S sole direction, supervision, and control. CONSULTANT shall exercise control over the means and manner in which it and its employees perform the work, and in all respects CONSULTANT'S relationship and the relationship of its employees to the CITY shall be that of an independent contractor and not as employees or agents of the CITY. CONSULTANT does not have the power or authority to bind the CITY in any promise, agreement or representation other than as specifically provided for in this Contract. CONSULTANT shall not pledge the CITY'S credit or make it a guarantor of payment of surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. CONSULTANT further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Contract.
- 12. ENTIRE AGREEMENT:** This Agreement incorporates and includes all prior negotiations, correspondence, agreements, or understandings between the parties, and the parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this document. This Agreement supersedes all other agreements between the parties, whether oral or written, with respect to the subject matter.

PROCEDURE & SELECTION OF CONSULTANTS WITHIN THE CONTINUING CONTRACT

Work Assignments:

Work Assignment size may vary. No guarantee is expressed or implied as to the quantity of services, if any, to be procured under this Request for Proposals by the City.

No Work Assignment will exceed the Florida State Statutory Limits provided for continuing contracts in Florida Statute §287.055(2)(g) as amended. If these limits are amended in the future the new limits will apply to the proposed contract.

All work assignments \$100,000 or greater requires Commission approval.

Reasonable attempts will be made to equalize projects amongst qualified candidates in terms of project worth provided such distribution does not violate the principle of selection of the most highly qualified firm responding to a particular letter of interest. The respondent to a Letter of Interest deemed most qualified will be chosen to submit a scope and fee for the Work Assignment.

The City may use direct select for work assignments or request for letters of interest method for individual work assignments as outlined below.

Letter of Interest Process

When the City requires professional services, it is anticipated, but not necessarily required, that the process will proceed in the following manner:

- i) For each specific project to be completed under a continuing services contract, Utilities (UT) will send a Letter of Interest to all qualified firms awarded the continuing services agreement. The

letter of interest that will include, but not be limited to, the following information along with request for interested firms to submit a qualifications-based proposal for the specific project.

- a. Project description;
 - b. General scope of work;
 - c. Goals of project;
 - d. Potential unknowns;
 - e. Any special conditions associated with the project;
 - f. Proposed schedule for project;
 - g. Proposed budget for project;
 - h. Limited references request;
 - i. Limited page limit on qualifications-based project-specific proposal; and,
 - j. Deadline for submittal of qualifications-based proposal for the project.
- ii) Each firm shall then have the opportunity to submit a qualifications-based proposal for the specific project.
- iii) City staff will evaluate the qualifications-based proposals on general criteria including, but not limited to, the following:
- a. Understanding of project and required deliverables;
 - b. Ability and relevant expertise/qualifications of the firm's personnel to be used in performing the service;
 - c. Availability of staff and ability to meet project schedule;
 - d. Evaluations on prior UT projects;
 - e. Firm's proposed cost saving measures for the project,
 - f. Conflict of Interest form,
 - g. Disclosure form for Consultant/Engineer/Architect; and,
 - h. Scrutinized Company Certification Form
- iv) City staff will obtain from selected Consultant a finalized detailed scope with tasks, fee schedule based on hourly rates submitted with master contract, and project schedule. Negotiations may be required to fine tune scope and issue a Work Assignment.

The City reserves the right to be the sole determination of responsiveness and responsibility of any submittals received in response to requests for proposals, requests for qualifications, and/or letters of interest.

The Consultant shall neither commence any Work, nor enter a City Work premise, until the Consultant has received a **fully executed Work Assignment** from the City serving as written Notice to Proceed ("NTP").

The parties agree that the scope of services for any Work Assignment is a description of Consultant's obligations and responsibilities and is deemed to include preliminary considerations and prerequisites, and all labor, materials, equipment, and tasks which are such an inseparable part of the work described that exclusion would render performance by Consultant impractical, illogical, or unconscionable.

Consultant and City acknowledge that Scope of Services may not delineate every detail and minor work task required to be performed by Consultant to complete the Project. If, during the course of the performance of the services included in the Work Assignment, Consultant determines that work should be performed to complete the Project which is in the Consultant's opinion outside the level of effort originally anticipated, whether or not the Scope of Services identifies the work items, Consultant shall

notify the City in writing in a timely manner before proceeding with the work. If Consultant proceeds with said work without notifying the City, said work shall be deemed to be within the original level of effort, whether or not specifically addressed in the Scope of Services. Notice to the City does not constitute authorization or approval by City to perform the work. Performance of work by Consultant outside the originally anticipated level of effort without prior written City approval is at Consultant's sole risk.

Consultant acknowledges and agrees that services under this Agreement will be requested by City on an as-needed basis only, and no representation or guarantee is made by City to Consultant that City will utilize Consultant's services exclusively or at all.

Direct Select Work Assignment Process:

Upon approval from the Sr. Purchasing Administrator or designee, City staff may forego the Letter of Interest Process and proceed directly with the Work Assignment process. A scope with itemized tasks and fee schedule based on contracted hourly rates will be obtained from one of the contracted firms, reviewed, negotiated and awarded. This process will be used when circumstances warrant a more expedient process.

NON-EXCLUSIVITY: No guarantee of certain services, volume of work, or quantity of projects is implied. This contract does not entitle any firm to exclusive rights to City contracts. The City reserves the right to acquire professional services from other firms or perform "in-house" services for any purpose as it deems appropriate. The City may, in its sole discretion, procure the services of any consultant at any time for any project other than those selected for this continuing contract.

INVOICING SPECIFICS:

Consultants shall invoice the City for each project or assignment, as negotiated. Each invoice shall identify the invoice number; project or assignment; detail the contract price; payments made to date; percentage of completion of the assignment/project/phase and/or employees names, titles, direct labor rates, and multiplier; payment due this invoice; remaining balance due; attached list of approved reimbursables with appropriate receipts. Invoices shall itemize hours, hourly wage, or other unit agreed upon as measurement of payment during negotiations, if requested. If hourly, invoices shall identify the name and title of personnel who performed the work.

Invoices shall also include a detailed bullet list of work completed within the period of the invoice. Bullet list of work completed shall clearly identify the work associated with the current billing.

COMPENSATION:

Compensation to the consultant shall include the following: all profit, direct and indirect labor costs, personnel related costs, overhead and administrative costs, and all other costs not indicated as non-reimbursable below.

No claim for reimbursement for these expenses shall be made to the City:

- A. All travel and vehicle related expenses.
- B. Three (3) sets of signed and sealed permitting plans.
- C. Computer usage, telephone expenses, fax, copies, printing, and postage.
- D. Subcontractor mark-up.

A copy of the invoice for each reimbursable expense shall be attached to consultant's invoice.

The City will not allow Prime Consultant markups on any services provided by a Sub-Consultant.

CHANGE ORDERS:

All requests for changes to the resulting Agreement shall be made in writing and are subject to approval by the appropriate level of City authority, and as otherwise provided in this Agreement.

All change orders, including no-cost change orders, to Work Assignments require approval by City Manager, at a minimum. Some change orders will require Commission approval.

The consultant shall fully understand the City's Change Order Policy. In the event the consultant begins work on unauthorized changes to scope prior to receiving a signed Change Order by the City's appropriate level of authority, they do so at their own expense and risk not being compensated by the City for performing unauthorized work.

SCHEDULE:

An understanding and agreement, by and between the Consultant and the City, that the completion time will be as specified in approved work assignments and that all work shall be prosecuted regularly, diligently, and uninterrupted at such rate of progress as will ensure full completion thereof as specified in the Scope of Services.
