BOARD OF LEGAL SPECIALIZATION & EDUCATION

"Board Certified Lawyers: Evaluated for Professionalism, Tested for Expertise"

Dear Member,

Congratulations! We are pleased to confirm your achievement of board certification effective August 1, 2022.

Board certification identifies you as a lawyer with special knowledge, skills and proficiency, as well as a reputation for professionalism and ethics. You are now distinguished as a board certified specialist or expert in your practice area.

As a board certified lawyer, you have a special responsibility above and beyond other members of The Florida Bar to maintain high standards of conduct and professionalism. The Board of Legal Specialization and Education (BLSE) is committed to ensure that the integrity of board certification, as originally sanctioned and adopted by the Supreme Court of Florida, is preserved so that the public can rely upon the representation of preeminent competence and ethics among the program's participants.

We applaud your success and your ongoing dedication to high standards in your practice. As a benefit to our certified lawyers, we offer significant resources to help you communicate your board certified status and you will find these online at www.floridabar.org/certification. The "Resources for Board Certified Attorneys" link contains many links to useful information and promotional materials.

We are always open to new ideas, so if there is anything the BLSE can do to make the program better for you and for all certified lawyers, please send your comments to the Legal Specialization and Education Director, Maritza McGill, at mmcgill@floridabar.org.

You have achieved a significant milestone in your career. We are proud to announce that you are a board certified specialist effective August 1, 2022. A certificate is enclosed.

Sincerely,

Elisha D. Roy, B.C.S.
Chair, BLSE
