NARRATIVE

On 6/15/22, I responded to 4970 City Hall Blvd (North Port City Hall), in reference to a white male, later identified as Michael Messina, causing a verbal disturbance within the building.

I made contact with him inside the conference room, within the neighborhood development section of the building. It should be noted that this is a secure part of the building. It was later determined, Michael gained access to this otherwise locked area while an employee was opening it to let someone out of the building. I spoke with Michael who advised he thought he was being let in to speak to a "Dave" who asked him to come there. According to Michael, he and Dave had

a verbal altercation over the phone in regards to city permits. Michael was frustrated with the service he received stating he will not be cursed at. He brought a bar of soap to "wash Dave's mouth out" with him to confront the employee. Management did not want a formal trespass and continued to serve Michael's needs after the verbal altercation. Once this was addressed Michael left without further incident.

No further action.

NARRATIVE

On June 16, 2022, at 0926 hours, I responded to 4970 City Hall Boulevard in reference to a follow-up.

Upon arrival, I spoke to the office manager, Derek Applegate at the Neighborhood Development Service who advised he wished to have the subject, Michael A. Messina trespass from the property due to the disturbance that occurred on 06/15/22.

I attempted to contact Michael via phone call but it went to voicemail; a voicemail was left.

On 06/16/22, I attempted to make contact with Michael at his residence at 2840 Athena Ter but he was not present.

I will follow-up next shift in attempt to contact Michael to issue him a trespass.

NARRATIVE

On 06/18/2022 I met with Michael Messina in the parking lot of Publix on Toledo Blade.

Our agency is trying to issue Michael a copy of the trespass warning from City Hall (ref 22034472), and I was trying to get him to sign the agency's copy to be turned in.

However, Michael explained to me that he will have to appeal the trespass due to the fact that he has business at City Hall on a regular basis for his job. Michael respectfully declined to sign the warning, stating that he will have to speak to his attorney about the situation.

Michael was cooperative, but he refused to sign and I explained to Michael that although he is refusing to sign the warning, our Records Management System will still reflect him being trespass warned. He understands the repercussions of going to City Hall uninvited.

I checked the appropriate box on the agency's copy of the trespass warning stating the person refused to sign and turned it in to records.

Nothing further at this time.
