Jennifer Sadonis

3. Contact phone number: *

941-290-2723

4. Contact email address: *

jsadonis@northportfl.gov

5. What is the physical address of the recipient organization? *

4970 City Hall Blvd., North Port, FL 34286

6. What is the location of the proposed project or service? If your project is specific to a military installation or site, please list that as well. *

Wastewater pumping stations within the City of North Port

7. Request amount:

If applicable, please also note the amount of the total cost of the project. *

Requested: \$1,680,000 Total Cost of Project: \$2,100,000

8. Purpose of the request: *

This project will upsize four (4) existing wastewater pumping stations to spur and support commercial economic development in the northeast region of the City. The upsizing is necessary for wastewater system expansion to occur.

9. Why is the project a priority for FL-17? Please explain the community benefits this project would yield. *

This project is critical to the City of North Port and FL-17 as it will allow the delivery of the wastewater service necessary to develop the commercial/industrial corridors of this area of the City.

10. Why is this project a valuable use of taxpayer funds? *

The availability of wastewater service to this area of the City will attract commercial and industrial development, bringing in tax dollars for the City of North Port and FL-17, create numerous jobs, and diversify the City's and District's economy.

11. Please include a budget of how the funds will be used:

Funds will be used to upgrade four (4) existing wastewater pumping stations, increasing system capacity overall. Budget available by request.

12. If there are additional costs necessary to complete the project, have those been secured? These may include matching funds, nonprofit/corporate funds, local government contributions, etc.

Yes, matching funds have been budgeted for this project.

13. Does the entity plan to make grants to other entities from the funds provided, and if so, which entities?

No, not at this time.

14. Has any funding for the project been included in any presidential budget request, and if so, how much, in which fiscal year, and in which agency(ies) or program(s)?

No

15. Has the project received federal funding before, and if so, how much, when, and from which agency(ies) or program(s)?

No

16. Is this request being submitted to any other members? If so, who?

No

17. If available, please list community organizations supporting this project. Please email letters of support to sami.araboghli@mail.house.gov in Rep. Steube's office. Should you have any questions on who that might be, please call us at 202-225-5792. *

City of North Port Commission

18. I acknowledge the requirement to demonstrate community support for the project. This can include letters of support from community organizations or local government bodies, as well as news articles showing community support. I will email all such letters or articles to Sami.Araboghli@mail.house.gov. Such items for projects under the Agriculture, CJS, and MilCon/VA Subcommittees must be provided by March 12th, and items for projects under the Energy & Water, Homeland Security, Interior & Environment, and THUD Subcommittees must be provided by March 19th. *

I Agree

19. Is there anything else we should know? Please include any applicable committee-specific information, such as whether an environmental review has been conducted, etc.

An environmental review has not been conducted, but one would be completed as part of federal funding. The City is familiar with these reviews, having completed several recently for different grant projects. The City does not anticipate any issues with completing an environmental review. This area of the City and District is critical development and is an economic driver for commercial and industrial development, job growth, and diversification of the economy.
