Good Evening Commissioners, following our commission meeting and the discussion last night regarding a meeting with the Port Charlotte Commissioners, I spoke to Port Charlotte County Administrator Hector Flores today. He and I have met twice in person since I have been here and he was happy to have the conversation about connecting our two boards. He also believes the two boards meeting will be a welcomed opportunity to partner since we are close neighbors.

We are going to develop an agenda with relevant topics and target a time for the boards to meet before both boards go on recess in August. I will keep you posted on the progress. If you have any questions, feel free to let me know, thank you.
