

**CJIS Security Supplement to Software License and Services Agreement Between
City of North Port, FL and North Port, FL Police Department**

And

Superion, LLC

WHEREAS, City of North Port and City of North Port Police Department (the "City") and Superion, LLC (the "Vendor") have entered into a separately executed Software License and Services Agreement for ONESolution Products and Solutions dated November 7, 2003 (the "Agreement") for various Superion ONESolution applications, including CAD, RMS, and MCT, specified therein; and

WHEREAS, the City for regulatory compliance reasons requires the Vendor to confirm its understanding of the requirements of the FBI Criminal Justice Information Services ("CJIS") Security Policy.

WHEREAS, the CJIS Security Policy Version 5.6 mandates all agencies connected to the FBI CJIS systems adhere to regulation set forth within the Security Policy. Part of the Security Policy outlines directives dealing with personnel security. Included within the term "personnel" are all individuals who are utilized by criminal justice agencies to, implement, deploy, and/or maintain the computers and/or networks of the criminal justice agency which are used to access FBI CJIS systems. These individuals include city/county IT personnel, and private vendors; and

WHEREAS, the subject of non-criminal justice governmental personnel and private vendors is addressed in Sections 5.1.1.5(1) of the CJIS Security Policy and in the Security Addendum, which can be found in Appendix H. These sections include information on documentation which should be maintained in order to remain in compliance with the Security Policy.

NOW, THEREFORE, the Vendor confirms its understanding of the following:

To the extent required by applicable law and regulations, Vendor will comply with the requirements of the CJIS Security Policy Version 5.6 and the Security Addendum.
