<u>Carry Over from 2019</u>		
07/10/18	There was a consensus to have a consultant for an electronic records plan, and an evaluation of where we are in compliance and/or what we need to do to improve in the City overall in our public records, as well as to have an update as to where we are and what the progress is of our outdated public records requests, to be included in the, at least monthly, reports by the City Clerk's Office.	Consultant came and met with IT regarding Email/Text messaging retention policy and with the clerks office. Working on policies and setting up a "purge" event for departments.
