1. Technical Competency
<ul style="list-style-type: none"> Scope of legal expertise necessary to meet the City’s needs on issues that arise Proactive identification of potential issues upon becoming aware of them Accuracy and technical correctness of legal advice Efficient and effective knowledge of City codes, regulations, Florida Statutes, and case law regarding municipal government
<p>COMMENTS:</p> <p>Considering your short time with the City, I feel you have far exceeded the normal learning curve timeline. I believe more proactive measures with Commissioners participating in their personal capacity with other governments and City advisory boards is necessary. However, you walk a fine line and are always professional and as efficient as you can be given your workload.</p>
