Dear Ms. Pfundheller,

This is to report that the Commission for Accreditation of Park and Recreation Agencies (CAPRA), at its meeting on September 23, 2019 in Baltimore, MD approved accreditation for **City of North Port Parks & Recreation** through the fall of 2024. Congratulations for this achievement!

Your agency's accreditation by CAPRA is valid until its next review in the fall of 2024. Your agency should plan for its next accreditation between March and June 2024. To maintain accreditation, your agency must comply with the Commission's requirements for timely submission of annual reports and fees.

The Commission is pleased to include **City of North Port Parks & Recreation** on the list of accredited agencies. In recognition of your agency's accomplishment, you will be receiving your CAPRA crystal award in the coming weeks. Please contact me at jschleining@nrpa.org or 703-858-2155 with any questions.

Sincerely,
