

How To Find Participating Employers

Use the E-Verify search tool to find employers who are currently enrolled in E-Verify. Your search will display the following information:

- **Employer name** – The name the employer used when they enrolled in E-Verify. This can be the business' legal name, a trade name, or an abbreviation.
- **Doing Business As (DBA) name** – The name an employer uses publicly. The public may see the DBA, but the employer may have used another name when they enrolled in E-Verify.
- **Account Status** – Indicates whether the account is currently enrolled or terminated.
- **Enrollment date** – The date the E-Verify Memorandum of Understanding is signed.
- **Termination Date** – The E-Verify Memorandum of Understanding termination date.
- **Workforce size** – Appears as long as the employer reported they have at least five employees.
- **Number of hiring sites** – The locations where employers hire employees and where they complete Form I-9.
- **Hiring site locations (by state)** – The geographic location(s) of hiring sites, by state, reported by the employer.

Parameters:

- USCIS updates the search tool data every quarter. However, employer status may be updated as needed.
- Employers report their own data at the time they enroll in E-Verify. The accuracy and completeness of the data depend on what was submitted by employers at the time of enrollment and as reported throughout the employer's relationship with E-Verify.
