(See <http://dos.state.fl.us/library-archives/records-management/general-records-schedules/>)

b. "Public records" means and includes those items specified in Florida Statutes Section 119.011(12), as amended from time to time, and currently defined as: All documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business with the City. If the Contractor keeps and maintains public records upon the completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records.

5. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT CUSTODIAN OF PUBLIC RECORDS, 4970 CITY HALL BOULEVARD, NORTH PORT, FLORIDA 34286, 941.429.7063 OR HOTLINE 941.429.7270; E-MAIL: [publicrecordsrequest@cityofnorthport.com](mailto:publicrecordsrequest@cityofnorthport.com).**

6. Failure of the Contractor to comply with these requirements shall be a material breach of this Contract. Further, Contractor may be subject to penalties under Florida Statutes Section 119.10.

**2. CONTRACT PRICE:**

- A. In consideration of the foregoing services, work, labor, and materials to be furnished by the Contractor as per said plans, specifications, and addendums, the City agrees to pay, and the Contractor agrees to receive payments in accordance with the prices set forth in the RFB as amended from time to time to account for actual field conditions.
- B. The Contract price is **One Million Three Hundred Sixty-Six Thousand Eighty-Nine Dollars and Zero Cents (\$1,366,089.00)**.

**3. PAYMENT:**

- A. One (1) original request for payment must be submitted to the City on a City approved form. Each pay request must be accompanied by an updated work schedule to reflect the progress of all work. Payment must be accompanied by either written approval and direction of the surety, or receipt of updated affidavits of payment by subcontractors and/or suppliers, in accordance with Florida Statutes Section 255.05(11).
- B. Contract price is net, and all invoices will be payable according to the Florida Local Government Prompt Payment Act (Florida Statutes Section 218.70, *et seq.*). Upon certification and approval by the City or its duly authorized agent, progress payments may be made to the Contractor upon its application for all services or work completed or materials furnished in accordance with this Contract.
- C. The Contractor will be paid monthly the total value of the work completed and accepted during the preceding month, less five percent (5%) retainage. The City must inform the Contractor's Surety of any reduction in retainage.
- D. Contractor must update each new pay request in accordance with any changes made to the previous submittal. City approval is required before making final payment for all work, materials, or services furnished under this Contract. Retainage may be reduced upon issuance of the Certificate of Substantial Completion by the City if, in the sole opinion of the City, sufficient progress on the schedule has been accomplished, all required affidavits have been provided, and the City has retained adequate coverage for the project through the achievement of Final Completion.

**4. CONTRACT TIME:**

- A. This Contract shall be effective on the date the last party signs it (the "Effective Date"), and shall terminate upon the completion of the work or as otherwise detailed herein.
- B. Following the Effective Date of this Contract, the Contractor specifically agrees that it will commence operations within a mutually agreed upon time following notification by the City to commence work ("notice to proceed"), and that all work performed under the provisions of this Contract must be completed in not more than **three hundred sixty-five (365) calendar days** from the notice to proceed; subject only to delays caused through no fault of the Contractor or acts of God. The work must be substantially completed within **three hundred thirty-five (335) calendar days** from the notice to proceed, with final completion within **thirty (30) calendar days** after attaining Substantial Completion or following the issuance of the Final Punch List, whichever is later. Time is of the essence in the performance of this Contract.

**5. LIQUIDATED DAMAGES:**

- A. The work performed pursuant to this Contract must be completed within the times specified herein. The Contract time includes the preparation, submittal, review, and approval of submittals, delivery of materials, and construction, assembly, adjustment, and placement into service for beneficial use of all facilities covered under this Contract.
- B. The City must issue a Notice of Substantial Completion when it has determined that the work identified in this Contract is substantially complete, record drawings are submitted and approved by the City, and that the facility is operating satisfactorily. The City requires not less than **fourteen (14)** calendar days for the review of the work, and the submittals, excluding pay requests. The Contractor must respond within two (2) business days after receipt of any questions from the City, regarding the identified work for the project, the record drawings, and other submittals. The City reserves the right to require Contractor's resubmission of record drawings and other submittals to conform to the work identified in the project. The City must provide the Contractor a punch list within **two (2)** business days after the Notice of Substantial Completion is issued. The punch list must identify the remaining items to be addressed to the satisfaction of the City and in order for the Contractor to meet its obligations under this Contract. The Contractor must complete the items on the punch list to the satisfaction of the City within thirty (30) calendar days following the issuance of the Final Punch List or Notice of Substantial Completion, whichever is later, and prior to submittal of the application for reduction of retainage or final payment. Any cost incurred by the City (i.e. inspection time) after the thirty (30) calendar day period must be charged to the Contractor.
- C. The City and the Contractor hereby agree that time is of the essence on this Contract and the City will suffer damages if the work is not substantially completed within the Contract time, plus any extensions thereof allowed by Change Order. It is further recognized and agreed by the City and the Contractor that the determination of the exact value of the damages the City would suffer due to a delay in the Substantial Completion of the work would be a difficult, time consuming, and a costly process. It is therefore hereby agreed by the City and the Contractor that it is in their mutual interest to establish a figure of **Seven Hundred three Dollars and Zero Cents (\$703.00)** as Liquidated Damages (but not as a penalty) to be paid by the Contractor to the City for each calendar day that Substantial Completion is delayed beyond the Contract Time.
- D. It is mutually agreed by the City and the Contractor that neither will make any claim to increase or reduce the amount to be paid under Liquidated Damages as the result of any calculation of actual damages suffered by the City as the result of delay in the Substantial Completion of the work.

**6. BOND REQUIREMENTS:**

- A. Bond Requirements:
  - 1. The successful bidder must provide the required performance and payment bond or other acceptable security to the City within **ten (10)** business days of being awarded the bid. Failure by the successful bidder to provide the bond within **ten (10)** business days shall be considered a default under Section 2-404 of the Code of City of North Port, Florida. Upon such default the City may immediately award the bid to the next lowest responsive and responsible bidder and recover from the original successful bidder the difference in cost between the original winning bid and the next lowest responsive and responsible bidder. Such default is only curable at the option of the City.

2. In addition, the Contractor is responsible and bears all costs associated with recording the Performance and Payment Bond with the Sarasota County Clerk’s Office. The Contractor must furnish the receipt of said recording and certified copy of the bond to the Purchasing Department at the time of the pre-construction meeting. Such default is only curable at the option of the City.

7. Has an underwriting limitation of at least two times the dollar amount of this Contract.

C. If the Surety Company for any bond furnished by the Contractor files for bankruptcy, has a receiver appointed, is declared bankrupt, becomes insolvent, has an assignment made for the benefit of creditors, has its right to do business terminated in the State of Florida, or ceases to meet the requirements imposed by the Contract Documents, the Contractor must, within **five (5)** calendar days thereafter, substitute another Bond and Surety Company, both of which are subject to the City’s approval.

D. By execution of the bond, the Surety Company acknowledges that it has read the surety qualifications and surety obligations imposed by the Contract Documents and satisfies all conditions.

**7. CONTRACTOR’S INSURANCE:**

A. Insurance:

1. Before performing any work pursuant to this Contract, the Contractor must procure and maintain, during the life of this Contract, the insurance listed below against all claims of injury to persons or damage to property which may arise from or in connection with its performance of the work hereunder, unless otherwise specified. The policies of insurance must be primary and written on forms acceptable to the City and placed with insurance carriers approved and licensed by the Insurance Department in the State of Florida and meet a minimum financial A.M. Best and Company, Inc. rating of no less than “A - Excellent: FSC VII.” No changes can be made to these specifications without prior written approval by the City Manager or designee. The City Manager or designee may alter the amounts or types of insurance policies required by this Contract upon

agreement with the Contractor. The insurance policies must remain in place until all of the Contractor's and subcontractor's obligations and warranty periods in place pursuant to this Contract have been discharged or satisfied.

2. The below insurance requirements are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The City in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work done pursuant to this Contract by the Contractor, its agents, representatives, employees, or subcontractors. Contractor is free to purchase such additional insurance as it may determine necessary. The extent of Contractor's liability for indemnity of the City shall not be limited by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between the Contractor and its carrier.

- B. Workers' Compensation and Employers' Liability Insurance (Per Chapter 440, Florida Statutes): Coverage must apply to all employees at the statutory limits provided by state and federal laws. The policy must include liability insurance with a limit of \$1,000,000 for Combined Single Limit (CSL) for each accident; \$1,000,000 per person for Bodily Injury; \$1,000,000 per accident for Bodily Injury; and \$1,000,000 per accident for Property Damage. - E. Waiver of Subrogation: All required insurance policies, with the exception of Workers' Compensation, are to be endorsed with a Waiver of Subrogation. The insurance companies, by proper endorsement or through other means, must agree to waive all rights of subrogation against the City, its Commissioners, officers, officials, employees, volunteers, and the City's insurance carriers, for losses paid under the terms of these policies that arise from the contractual relationship or work performed by the Contractor for the City. It is the Contractor's responsibility to notify its insurance company of the Waiver of Subrogation and request written authorization or the proper endorsement. Additionally, the Contractor, its officers, officials, agents, employees, volunteers, and any subcontractors, agree to waive all rights of subrogation against the City and its insurance carriers for any

losses paid, sustained, or incurred, but not covered by insurance, that arise from the contractual relationship or work performed. This waiver applies to any deductibles or self-insured retentions for which the Contractor or its agents may be responsible.

F. Policy Form:

1. All policies required by this Contract, with the exception of Workers' Compensation, or unless specific approval is given by Risk Management through the City's Purchasing Office, are to be written on an occurrence basis, and must name the City of North Port, Florida, its Commissioners, officers, agents, employees, and volunteers as additional insured as their interest may appear under this Contract. Claims Made Policies will be accepted for professional liability and hazardous materials and such other risks as are authorized by the City's Purchasing Office. All Claims Made Policies contributing to the satisfaction of the insurance requirements herein must have an extended reporting period option or automatic coverage of not less than two (2) years. If provided as an option, Contractor must purchase the extended reporting period on cancellation or termination unless a new policy is affected with a retroactive date, including at least the last policy year.
2. Insurance requirements itemized in this Contract, and required of the Contractor, must be provided by or on behalf of all subcontractors to cover their operations performed under this Contract. The Contractor is responsible for any modifications, deviations, or omissions in these insurance requirements as they apply to its subcontractors.

  - a. Apply separately to each insured against whom claim is made and suit is brought, except with respect to limits of the insurer's liability.
  - b. Be endorsed to state that coverage must not be suspended, voided, or cancelled by either party except after notice is delivered in accordance with the policy provisions. The Contractor is to notify the City's Purchasing Office of such an occurrence by written notice via certified mail, return receipt requested.
4. The City retains the right to review, at any time, coverage, form, and amount of insurance.
5. The Contractor is solely responsible for payment of all premiums for insurance contributing to the satisfaction of this Contract and is solely responsible for the payment of all deductibles, SIR (self-insured retentions), any loss or portion of any loss that is not covered by any available insurance policy, and retention to which such policies are subject, whether or not the City is an insured under the policy. Contractor's insurance is considered primary for any loss, regardless of any insurance maintained by the City.
6. All certificates of insurance must be on file with and approved by the City before commencement of any work done pursuant to this Contract. All certificates of insurance required herein must be accompanied by a copy of the additionally insured documents/endorsements (CG 20101185 or combination of CG 2010370704 and CG 20370704). 7. Notices of Accidents (Occurrences) and Notices of Claims associated with work being performed pursuant to this Contract must be provided to Contractor's insurer(s) and the City's Purchasing Office as soon as practicable after notice to the insured Contractor.

**8. INDEMNITY:**

- A. **TO THE EXTENT PERMITTED BY FLORIDA LAW, THE CONTRACTOR SHALL INDEMNIFY, DEFEND, AND HOLD HARMLESS THE CITY, ITS COMMISSIONERS, OFFICERS, AGENTS AND EMPLOYEES, FROM ALL LIABILITIES, FINES, CLAIMS, ASSESSMENTS, SUITS, JUDGMENTS, DAMAGES, LOSSES AND COSTS, INCLUDING CONSEQUENTIAL, SPECIAL, INDIRECT, AND PUNITIVE DAMAGES, (INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES AND COURT COSTS, WHETHER SUCH FEES AND COSTS ARE INCURRED IN NEGOTIATIONS, AT THE TRIAL LEVEL OR ON APPEAL, OR IN THE COLLECTION OF ATTORNEYS' FEES), ARISING OUT OF ANY ACTS, ACTIONS, BREACHES, NEGLIGENCE OR OMISSIONS OF THE CONTRACTOR, OR CONTRACTOR'S OFFICERS, EMPLOYEES, AGENTS, SUB-CONTRACTORS, SUB-CONSULTANTS, AND OTHER PERSONS EMPLOYED OR UTILIZED BY THE CONTRACTOR IN THE PERFORMANCE OF, OR THE FAILURE TO PERFORM, THE CONTRACT. THE CONTRACT DOES NOT CONSTITUTE A WAIVER OF SOVEREIGN IMMUNITY OR CONSENT BY THE CITY OR ITS SUBDIVISIONS TO SUIT BY THIRD PARTIES.**
- B. **THE CITY MUST PROVIDE ALL AVAILABLE INFORMATION AND ASSISTANCE THAT THE CONTRACTOR MAY REASONABLY REQUIRE REGARDING ANY CLAIM. IN THE EVENT OF A CLAIM, THE CITY MUST PROMPTLY NOTIFY THE CONTRACTOR IN WRITING BY PREPAID CERTIFIED MAIL (RETURN RECEIPT REQUESTED) OR BY DELIVERY THROUGH ANY NATIONALLY RECOGNIZED COURIER SERVICE (SUCH AS FEDERAL EXPRESS OR UPS) WHICH PROVIDES EVIDENCE OF DELIVERY, AT THE ADDRESS PROVIDED FOR RECEIPT OF NOTICES IN THIS CONTRACT.**
- C. **THIS AGREEMENT FOR INDEMNIFICATION SHALL SURVIVE TERMINATION OR COMPLETION OF THE CONTRACT. THE INSURANCE COVERAGE AND LIMITS REQUIRED IN THIS CONTRACT MAY OR MAY NOT BE ADEQUATE TO PROTECT THE CITY AND SUCH INSURANCE COVERAGE WILL NOT BE DEEMED A LIMITATION ON THE CONTRACTOR'S LIABILITY UNDER THE INDEMNITY PROVIDED IN THIS SECTION. IN ANY PROCEEDINGS BETWEEN THE PARTIES ARISING OUT OF OR RELATED TO THIS INDEMNITY PROVISION, THE PREVAILING PARTY SHALL BE REIMBURSED ALL COSTS, EXPENSES AND REASONABLE ATTORNEY FEES THROUGH ALL PROCEEDINGS (AT BOTH TRIAL AND APPELLATE LEVELS).**
- D. **NOTHING IN THIS CONTRACT SHALL BE DEEMED TO AFFECT THE RIGHTS, PRIVILEGES AND IMMUNITIES OF THE CITY AS SET FORTH IN FLORIDA STATUTES SECTION 768.28.**
- E. **THE TERMS OF THIS SECTION SURVIVE THE TERMINATION OF THIS CONTRACT.**
- F. **FURTHER, THE CONTRACTOR SHALL FULLY INDEMNIFY, DEFEND, AND HOLD HARMLESS THE CITY OF NORTH PORT, FLORIDA, FROM ANY SUITS, ACTIONS, DAMAGES, AND COSTS OF EVERY NAME AND DESCRIPTION, INCLUDING ATTORNEYS' FEES, ARISING FROM OR RELATING TO VIOLATION OR INFRINGEMENT OF A TRADEMARK, COPYRIGHT, PATENT, TRADE SECRET OR INTELLECTUAL PROPERTY RIGHT.**

9. **CONTRACTOR'S AFFIDAVIT:** When all work contemplated by this Contract has been completed and has been inspected and approved by the City or its duly authorized agent, the Contractor must furnish to the City, a Contractor's

Affidavit in a form acceptable to the City. Signed affidavits of payment are required from any and all subcontractors hired by the Contractor, unless payment is approved by the surety in accordance with Florida Statutes Section 255.05(11). The affidavits must state whether the subcontractor(s) has been paid in full or whether there are payments remaining. A list of all subcontractors must be furnished to the City prior to any payments against the Contract.

**10. TERMINATION:**

- A. Termination with or without Cause: The performance of work under this Contract may be terminated with or without cause by the City Manager, in whole or in part, whenever the City Manager determines that termination is in the City's best interest. Any such termination shall be effective by delivery to the Contractor of a written notice of termination at least thirty (30) calendar days before the date of termination, specifying the extent to which performance of the work is terminated and the date upon which such termination becomes effective. Except as otherwise directed, the Contractor shall cease all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for material, services, or facilities except as necessary for completion of such portion of the work not terminated; terminate all vendors and subcontracts; and settle all outstanding liabilities and claims. Contractor must deliver to the City all documents (including but not limited to reports, designs, specifications, and all other data) prepared or obtained by the Contractor in connection with its services. Upon delivery of the documents, the City shall pay the Contractor in full settlement of all claims by it hereunder as the work actually completed bears to the entire work under the Contract, as determined by the City, less payments already made to the Contractor, and any amounts withheld by the City to settle claims against or to pay indebtedness of the Contractor in accordance with the provisions of the Contract. Under no circumstances shall the City make any payment to Contractor for services that have not been performed or that are performed subsequent to the termination date.
  
- B. Non-Appropriation: The parties acknowledge and agree that the obligations of the City to fulfill financial obligations of any kind pursuant to any and all provisions of this Contract, or any subsequent contract entered into pursuant to this Contract, or referenced herein to which City is a party, are and shall remain subject to the provisions of Florida Statutes Section 166.241, regardless of whether a particular obligation has been expressly so conditioned. The City agrees to exercise all lawful and available authority to satisfy any financial obligations of City that may arise under this Contract; however, since funds are appropriated annually by the City Commission on a fiscal year basis, City's legal liability for the payment of any costs shall not arise unless and until appropriations for such costs are approved for the applicable fiscal year by the City Commission (nor shall such liability arise if, a request for such appropriations is excluded from the budget approved by the City Commission). Notwithstanding the foregoing, no Commissioner, officer, employee, director, member or other natural person or agent of City shall have any personal liability in connection with a breach of the provisions of this Section or in the event of a default by City under this Section. This Contract shall not constitute an indebtedness of City nor shall it constitute an obligation for which City is obligated to levy or pledge any form of taxation or for which City has levied or pledged any form of taxation. It is expressly understood by the parties that funding for any subsequent fiscal year of the Contract is contingent upon appropriation of monies by the City Commission. In the event that funds are not available or appropriated, the City reserves the right to terminate the Contract. The City will be responsible for payment of any outstanding invoices and work completed by the Contractor prior to such termination.
  
- C. Abandonment: In the event that the Contractor abandons performance under this Contract, the City Manager or designee may terminate this Contract upon three (3) calendar days' written notice to the Contractor indicating the intention to do so. The written notice must state the evidence indicating the Contractor's abandonment.

- D. Contractor's termination. The Contractor may terminate this Contract only in the event of the City failing to pay the Contractor's properly documented and submitted invoice within ninety (90) calendar days of the approval by the City's Administrative Agent, or if the project is suspended by the City for a period greater than ninety (90) calendar days.
- E. Court proceedings. The City Manager or designee reserves the right to terminate this Contract in the event the Contractor is placed in either voluntary or involuntary bankruptcy, a receiver is appointed for the Contractor, or an assignment is made for the benefit of creditors.
- F. Breach: In the event Contractor is in breach of this Contract, the City must provide written notice of the breach and Contractor shall have ten (10) calendar days from the date the notice is received to cure. If the Contractor fails to cure within the ten (10) calendar days, the City Manager or designee can immediately terminate the Contract and/or refuse to make any additional payment, in whole or in part, and if necessary, may demand the return of a portion or the entire amount previously paid to Contractor due to:
1. The quality of a portion or all of the Contractor's work not being in accordance with the requirements of this Contract;
  2. The quantity of the Contractor's work not being as represented in the Contractor's Payment Request, or otherwise;
  3. The Contractor's rate of progress being such that, in the City's opinion, substantial or final completion, or both, may be inexcusably delayed;
  4. The Contractor's failure to use Contract funds, previously paid the Contractor by the City, to pay Contractor's project related obligations including, but not limited to, subcontractors, laborers and material and equipment suppliers;
  5. Claims made, or likely to be made, against the City or its property;
  6. Loss caused by the Contractor;
  7. The Contractor's failure or refusal to perform any of the obligations to the City, after written notice and a reasonable opportunity to cure as set forth above; or
  8. Violation of any local, state, or federal law in the performance of this Contract which will constitute a material breach of this Contract.
- G. Payment adjustments. In the event that the City makes written demand upon the Contractor for amounts previously paid by the City as contemplated in this Section, the Contractor must promptly comply with such demand. The City's rights hereunder survive the term of this Contract and are not waived by final payment and/or acceptance.
- H. E-Verify Violation: If the City has a good faith belief that the Contractor has knowingly violated Section 448.095(2), Fla. Stat., then the Contract may be terminated by the City. If the City has a good faith belief that a subcontractor has knowingly violated Section 448.095(2), Fla. Stat., but the contractor otherwise complied, then the City will promptly notify the contractor and order the contractor to immediately terminate the contract with the subcontractor. Any challenge to termination of this Contract under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If this Contract is terminated for a violation of the

statute by the Contractor, the Contractor may not be awarded a public contract for a period of one year after the date of termination and will be liable for any additional costs incurred by the City as a result of the termination of this Contract.

- I. **Remedies:** In the event of a default or breach of the contract terms, the City may avail itself of each and every remedy specifically given to it now existing at law or in equity, and each and every such remedy will be in addition to every other remedy so specifically given or otherwise so existing and may be exercised from time to time and as often and in such order as may be deemed expedient by the City. The exercise, or the beginning of the exercise, of one remedy will not be deemed to be a waiver of the right to exercise, at the same time or thereafter, any other remedy. The City's rights and remedies as set forth in this Agreement are not exclusive and are in addition to any other rights and remedies available to it in law or in equity.

**11. INDEPENDENT CONTRACTOR:** The Contractor is, and shall be, in the performance of all work, services, and activities done pursuant to this Contract, an independent contractor and not an employee, agent, or servant of the City. All persons engaged in any of the work or services performed pursuant to this Contract shall at all times, and in all places, be subject to the Contractor's sole direction, supervision, and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the City shall be that of an independent contractor and not as employees or agents of the City. The Contractor does not have the power or authority to bind the City in any promise, agreement or representation other than as specifically provided for in this Contract. The Contractor shall not pledge the City's credit or make it a guarantor of payment of surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness.
