WITNESSETH:

WHEREAS, the City issued RFP No. 0123-16-K -RC (such document and all addenda thereto, if any, being hereafter referred to as "RFP") seeking proposals for certain light-duty vehicles, including associated accessories and equipment; and,

WHEREAS, on August 19, 2016, the Contractor submitted a certain proposal ("Proposal") in response to that RFP; and,

WHEREAS, the City and the Contractor desire to enter into a contract for the purchase of light-duty vehicles, including associated accessories or equipment, all as more particularly set forth in this Contract; provided, however, that nothing in this Contract shall prevent the City from leasing or purchasing such vehicles from another dealer or manufacturer if the City's opinion, it is in their best interest.

NOW, THEREFORE, in consideration of the mutual promises and covenants, obligations, and terms hereinafter set forth, and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, City and Contractor hereby agree as follows:

SECTION 1.0 Purchase of Vehicles.

1.1 Contractor shall provide such light duty vehicles, including associated accessories and equipment ("Vehicles"), as the City may order from time to time. All Vehicles shall be priced, designed, manufactured, and equipped in accordance with the specifications set forth in the Proposal and applicable Change Orders executed by the Parties unless otherwise stated in this Contract. Each Vehicle shall conform and comply with all applicable federal, state, and local laws, statutes, ordinances, and regulations. If so requested by the City, Contractor shall install or mount, or shall cause its subcontractor to install or mount, associated accessories or equipment. Nothing in this Agreement shall prohibit the City from purchasing or entering into a contract to purchase Vehicles from another dealer or manufacturer if in the opinion of the City such action is in the best interest of the City.

1.1.1 The Contractor and the City Fleet Management Division ("FMD") shall schedule the following meetings with respect to each order received from the City.

- (i) A pre-production meeting to completely review the Vehicle specifications prior to commencing assembly or production. At the discretion of the City, this meeting will be held by conference call or on site at either FMD or the Contractor's facilities.
- (ii) A second meeting, if required by the City; will be held either by conference call or on site at FMD or the Contractor's facilities, as determined by the City.
- (iii) A final review and inspection when each Vehicle is considered by the Contractor to be complete. In addition to a complete inspection, City representatives will conduct a full performance test of each Vehicle and all integral systems. The Contractor shall provide all technical information and representatives reasonably required to assist the City in these inspections and shall make available to the City all reasonably required third-party certifications. A technician shall be available to complete any needed repairs or to replace items not meeting specifications. At the option of the City, this meeting will be held either at FMD facilities or at the Contractor's facilities. The Contractor shall be responsible for all accessories and equipment installed or provided by the manufacturer, the Contractor, or its subcontractor under this Contract; however, the Contractor will not be responsible for any accessories or equipment that is provided or installed by other City contractors at the direction of the City.

The Contractor shall coordinate arrangements for these meetings with FMD staff at least three (3) weeks prior to the scheduled meeting. The Contractor shall bear all costs related to participation of its representatives or personnel in these meetings and activities.

1.1.2 The City or the Contractor, at any time, may request changes in the specifications or requirements related to a particular Vehicle. No changes shall become effective until reduced to writing and signed by duly authorized representatives of each Party ("Change Order"). All such Change Orders shall include, as a minimum, the following information:

- (i) The specific changes to be made;
- (ii) Changes, if any, in the time for delivery of each completed Vehicle; and,

- (iii) Changes in the price of each completed Vehicle and associated accessories.

SECTION 2.0 PURCHASE OF PARTS.

2.1 The Contractor shall provide such parts for all Vehicles as the City may order from time to time. The Contractor shall provide on-line parts ordering capability, if available, for the City and, upon request, will provide original manufacturer part numbers. All parts ordered by the City shall be delivered FOB to the FMD facilities on the next business day after placement of the order. Orders received by Contractor after 4:00 p.m. (ET) will be considered as being received on the following business day. Delays in shipment beyond the reasonable control of the Contractor shall be subject to Section 11.1; provided, however, the Contractor, in such event, shall promptly provide Notice to the City regarding the details of any such delay so the City can make a final determination regarding responsibility. Long lead time parts or components not reasonable to inventory or fabricated components not reasonable to inventory are examples of orders that may require a longer delivery time. The Contractor shall expedite all such orders as reasonably timely as is possible.

SECTION 3.0 TERM.

The Term of this Contract shall be a period of five (5) years, commencing on the date executed by the City, unless earlier terminated in accordance with its terms. Such term may be extended for an additional five (5) year period, subject to mutual agreement of the Parties.

SECTION 4.0 CONTRACT PRICING AND PAYMENT.

4.1 Vehicles.

4.1.1 During the Term, the City shall pay the Contractor for each Vehicle ordered and accepted by the City based upon the Contractor's current pricing at the time a particular order is placed, provided, however, that such price shall not exceed the following:

- (i) for the current model year, the initial prices as set forth in the Proposal; or
- (ii) for subsequent model years, the purchase price paid for such model during the preceding model year plus any price increases from the manufacturer plus two percent (2%).

4.1.2 All prices shall be F.O.B. City of Tallahassee, FMD facilities (400 Dupree Street, Tallahassee, Florida). In addition to the limitations set forth in Section 4.1.1 above, the prices offered to the City during the term of this Contract shall be no greater than the lowest price offered by the Contractor to any governmental agency customer. The lowest price shall be based on the total price for each Vehicle, including accessories and equipment. The City shall have the right to annually review and audit all Contractor contracts and sales records to verify that the Contractor is in compliance with this most favored pricing requirement. If the Contractor is found not to be in compliance, the City will notify the Contractor, in writing, of such fact, and the Contractor, within thirty (30) days of its receipt of such notice, shall pay to the City the applicable price differential for each affected Vehicle purchased by the City, plus interest thereon at the rate of six percent (6%), for the period from the date of final acceptance of each Vehicle through the date of such notice from the City.

4.2 Parts and Accessories. The Contractor shall sell to the City all parts and accessories or equipment, including OEM parts, at Contractor's cost plus ten percent (10%). The City will maintain a stock of parts and accessories at its FMD facilities to support repair and maintenance of the Vehicles. The Contractor agrees to furnish all parts and accessories ordered by the City under consignment. No later than the tenth day of each month, FMD staff will submit a monthly report to the Contractor identifying the parts and accessories used during the preceding month, and the Contractor shall render an invoice for such parts and accessories to the City. The pricing offered to the City during the term of this Contract shall be no greater than the lowest price offered by the Contractor to any other municipal customer. The City shall have the right to annually review and audit all Contractor records to verify that the Contractor is in compliance with this pricing requirement. If the Contractor is found not to be in compliance, the City will notify the Contractor, in writing, of such fact, and the Contractor, within thirty (30) days of its receipt of such notice, shall pay to the City the applicable price differential for all affected parts and accessories purchased by the City, plus interest thereon at the rate of six percent (6%), for the period from the date of delivery of the affected parts or accessories through the date of such notice from the City. Upon expiration or earlier termination of Contract, the City shall either pay for or return to the Contractor all such parts and accessories remaining in stock. The Contractor shall not charge a restocking fee or assess any other charge associated with the returned parts.

4.3 Payment.

4.3.1 All Vehicle prices shall be F.O.B. FMD facilities, 400 Dupree Street, Tallahassee, Florida.

4.3.2 All proper invoices shall be paid by the City in accordance with the Florida Prompt Payment Act, Section 218.70, Florida Statutes.

4.3.3 In addition to other remedies available under this Contract, the City shall have the right to deduct, offset against, or withhold from sums or payments otherwise due the Contractor any sums or amounts which the Contractor may owe to the City pursuant to provisions of this Contract, as a result of breach or termination of this Contract, or otherwise.

SECTION 5.0 DELIVERY AND ACCEPTANCE

- 5.1 The Contractor shall deliver, or shall cause the manufacturer to deliver, all Vehicles in accordance with the schedule set forth in the Proposal or such other time period as may be agreed by the Parties. The Contractor and the City agree that timely delivery of each Vehicle is of the essence of this Contract, that the City will suffer damages in the event of a failure to so perform, and that such damages may be difficult to precisely calculate or prove. As a result, the Contractor shall pay to the City, as liquidated damages and not as a penalty, the amount of \$100 per day, or portion thereof, for each day of delay in delivery of each Vehicle. Such liquidated damages shall be paid in addition to any other recourse that may be available to City in the event that there is an adjustment to the delivery schedule the City will be notified in writing.
- 5.2 The Contractor shall, or shall cause the manufacturer to, fully assemble, service, and adjust each Vehicle prior to delivery and shall demonstrate, to the satisfaction of the City, at the time of delivery to the body manufacturer and at final delivery to the City, that each Vehicle meets all applicable specifications and requirements, as set forth in this Contract and as agreed upon by the parties, an all representations of the manufacturer. The delivery schedules shall be agreed upon at the first pre-construction meeting, but shall be subject to change by Contractor. The City will be notified of the need for the adjustment. If the change is not acceptable to the City, the City shall have the right to cancel the affected order, or portion thereof, without penalty or liability of any kind to the Contractor. The Contractor shall be responsible for, and shall bear all risk of loss and damage to each Vehicle until it is delivered to the City at its specified location.
- 5.3 Delivery of a Vehicle to the City does not constitute acceptance for the purpose of payment or warranty start time. The City shall inspect and test each delivered Vehicle to determine whether it meets all specifications and requirements set forth in this Contract; and, within seven (7) days following delivery, the City shall notify the Contractor, in writing or by verifiable email, of either its final acceptance of each Vehicle or of the failure of such Vehicle to meet such specifications and requirements. In the latter case, the Contractor, within ten (10) days following its receipt of written notice from the City, shall deliver to the City a detailed proposal and schedule for corrective action. If the proposed corrective action is acceptable to the City, the Contractor will be given a written notice to proceed, and a new inspection, testing, and notice process shall commence upon

completion of corrective action. If the proposed corrective action or schedule is not acceptable, or if approved corrective action is not timely completed, the City may refuse to accept the affected Vehicle. All adjustments associated with placing a unit in-service will continue to be the responsibility of the Contractor.

- 5.4 With each Vehicle, the Contractor shall deliver to the City, in an electronic format acceptable to the City, the following:
- (i) one (1) copy of the associated technical and service manuals, per model; DVE preferred; and
 - (ii) one (1) copy of the manufacturer's preventive maintenance schedule; and,
 - (iii) the manufacturer's statement of origin, title application, and all warranty documents.
- 5.5 All Vehicles delivered to the City shall be owned by the Contractor and shall be delivered free and clear of all liens and security interests of any kind.

SECTION 6.0 INDEMNIFICATION.

- 6.1 The Contractor shall indemnify and save harmless the City, its officials and employees, from all losses, damages, costs, expenses, liability, claims, actions, and judgments of any kind whatsoever, including reasonable attorney's fees and costs of litigation, to the extent arising out of or caused by any act or omission of the Contractor, its subcontractors, or their respective employees, officers, directors, or agents, in the performance under this Contract. The indemnification obligation under this clause shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor under any Workers' Compensation Act, Disability Benefit Act, or other Employee Benefit Act.
- 6.2 The Contractor shall, at its sole expense, defend any claim, suit or proceeding brought against the City, its officials or employees, to the extent such claim, suit or proceeding is based on a claim that any cab and chassis and associated accessories or equipment, or any process involved in manufacture of the same, or any parts, or equipment, furnished under this Contract (collectively, "Infringing Work") constitutes infringement of any registered patent of the United States of America or county of manufacture, provided that City shall give the Contractor prompt written notice of any such claim, suit or proceeding and shall give the Contractor authority, information and assistance in a timely manner for the defense of the same. The Contractor shall indemnify and hold the City, its officials or employees, harmless from and against all costs and damages awarded, and all attorneys' fees incurred or awarded, in any suit or proceeding so defended. The City will not be responsible for any settlement or proceeding

made without its prior written approval. In case said Infringing Work is held to constitute an infringement and the use of said Infringing Work is enjoined, the Contractor shall, at its own expense and at its option, either (a) procure for City the right to continue using said Infringing work, (b) replace said Infringing Work with substantially equivalent, equally functional, non-infringing Work, parts or combination thereof, or (c) modify such Infringing Work so that it becomes non-infringing, while maintaining the same functionality.

SECTION 8.0 TERMINATION.

- 8.1 In addition to other such rights set forth in this Agreement, the City or the Contractor can terminate this Contract if the other Party fails to comply with any of the terms or conditions of this Contract or defaults in performance of any of its obligations under this Contract and fails, within thirty (30) calendar days after written notice from the non-defaulting Party, to correct such default or noncompliance.
- 8.2 Provided there are no pending orders for Vehicles that have not been either accepted or rejected by the City, the City or the Contractor may, by written notice to the other Party, terminate this Contract. In the event of such termination, the City shall pay the Contractor for all Vehicles accepted by the City as of the effective date of the termination.

SECTION 9.0 WARRANTY AND MAINTENANCE.

- 9.1 The Contractor hereby warrants all Vehicles as set forth in the Proposal and the individual warranty documents delivered with each Vehicle and will take all steps necessary to assign all warranties from the Vehicle manufacturer to the City. The Contractor will respond to all warranty repairs within twenty-four (24) hours following notice from the City for all repairs and work with the body manufacturer for assistance as required.
- 9.2 Through the manufacturer, the Contractor will make available to the City the option to purchase an extended warranty for each Vehicle at the Contractor's cost of such warranty from the manufacturer.
- 9.3 The Contractor shall provide training as provided in the Proposal. Although the City will have the capability and expertise to repair each Vehicle under warranty, the City prefers to have the Contractor complete all warranty work, and the City shall perform such work only in the event of exigent circumstances. The Contractor, within thirty (30) days of receipt of an invoice therefore, will pay the City for all such warranty work completed by the City in an amount equal to the fully-loaded costs for personnel performing such work and all required parts and materials. The City shall not be obligated to pay the Contractor for any warranty-related repairs or replacements; however, the Contractor shall be entitled to receive any reimbursement or payment that may be offered by the manufacturer with respect to warranty repairs, replacements, or claims performed or paid by the Contractor. Non-warranty repairs performed by the Contractor's technician at the direction of the City will be billed to the City at \$57.00 per hour. Warranty related activities will be the first responsibility of the technician. In cases where the amount of warranty work does not require 40 hours in a particular week the City shall provide non-warranty assignments to the technician; however, warranty and non-warranty assignments together shall not exceed 40 hours in any week. Payment by the City will not include vacation time, holidays, sickness, or training to keep skills updated.

SECTION 10.0 MISCELLANEOUS PROVISIONS.

- 10.1 Time shall be of the essence in performance of this Contract; provided, however, that either Party shall be excused from timely performance under this Contract to the extent that, but only to the extent that, such delay is the result of any cause beyond the reasonable control of, and not the result of negligence or the lack of diligence of, the Party claiming such excuse from timely performance.
- 10.2 Failure to enforce or insist upon compliance with any of the terms or conditions of this Contract or failure to give notice or declare this Contract terminated shall not constitute a general waiver or relinquishment of the same or any other terms, conditions, or acts; but the same shall be and remain at all times in full force and effect.
- 10.3 If written notice to a Party is required under this Contract, such notice shall be given by hand delivery, recognized overnight delivery service, or by first class mail, registered and return receipt requested, to Contractor as follows: (Email notification is acceptable):

Beck Autos Sales, Inc.
256 Hwy 17 North
Palatka, Florida 32177
Attn: Lisa Man

and to the City as follows:

City of Tallahassee
Fleet Management Division
400 Dupree Street
Tallahassee, Florida 32304

Attn: Fleet Superintendent

- 10.4 Contractor shall not assign any of their rights or obligations under this Contract without prior approval by the City.
- 10.5 Contractor shall be responsible for the actions of any and all of their subcontractors and consultants. Neither subcontractors nor any consultants shall interface directly with the City.
- 10.6 This Contract and every question arising hereunder shall be construed, interpreted, or determined according to the laws of the State of Florida. Venue for any action brought in relation to this Contract shall be placed in a court of competent jurisdiction in Leon County, Florida.
- 10.7 As required by Section 287.133, (2 (a), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or a public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in s.287.010 for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. Any person must notify the City within thirty (30) days after a conviction of a public entity crime applicable to that person or to an affiliate of that person.
- 10.8 The language of this Contract shall be construed according to its fair meaning, and not strictly for or against either City or Contractor. The section headings appearing herein are for the convenience of the Parties and shall not be deemed to govern, limit, modify or in any manner affect the scope, meaning or intent of the provisions of this Contract. If any provision of this Contract is determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this Contract and all such other provisions shall remain in full force and effect; and it is the intention of the Parties hereto that if any provision of this Contract is capable of two constructions, one of which would render the provision void and the other of which would render the provisions valid, then the provision shall have the meaning which renders it valid.
- 10.9 Contractor agrees that it will not discriminate against any employee or applicant for employment for work under this Contract because of race, color, religion, gender, age or national origin and will take affirmative steps to ensure that applicants are employed and employees are treated during employment without regard to race, creed, color, sex, marital status or national origin. The Contractor

will post a copy of this pledge in a conspicuous place, available to all employees and job applicants and will place or cause to be placed a statement in all solicitations or advertisement for job applicants, including subcontracts, that the respondent is an "Equal Opportunity Employer".

- 10.10 The Contractor shall make Vehicles available to other governmental entities on the same terms and conditions as set forth in this Contract; provided, however, that such terms and conditions shall not include Section 4.2 as it relates to consignment of parts and accessories or Section 9.4. Should any such entity purchase Vehicle on such basis, the Contractor shall report such purchases to the City and, within thirty (30) days following final payment for each such purchase, shall provide a credit to the City in the amount of \$100.00 per Vehicle. If such credit is not used within six (6) months after being credited to the City, the City shall have the option of receiving payment from the Contractor, as opposed to a credit, in the same amount. This provision shall apply to all purchases initiated during the term of this Agreement, even if such purchase continues and payment is received after the expiration of such term.
- 10.11 It is understood and agreed that this Contract, including exhibits and references (if any), is the entire Contract between the Parties and supersedes all prior oral agreements and negotiations between the Parties relating to the subject matter hereof. City and Contractor, by mutual agreement, may change or amend the terms and conditions of this Contract. All such changes or amendments shall be set forth in a written amendment to this Contract.
- 10.12 If any portion of this Contract, or any Exhibit or portion thereof, is held to be invalid by a court of law, such provision shall be considered severable, and the remainder of this Contract shall be construed and enforced in a manner consistent with the intent of the Parties. Should any provision of this Agreement directly conflict with a provision of the RFP or the Proposal, the provision of this Agreement shall control.
- 10.13 It is the intent of the Parties that any provision of this Agreement that, by its terms or by any reasonable interpretation thereof, is intended to survive termination (whether by expiration, default, extinguishment or otherwise) of this Agreement, including indemnity obligations, will do so.

IN WITNESS WHEREOF, the Parties hereto have caused these presents to be executed by their duly authorized representatives, effective the date first above written.
