RE: FY2020-2021 Thompson Pump Replacement- 6JSVEE

Hello Steve,

Thank you for your interest in Thompson Pump & Manufacturing and the products and the services that we provide. Based on your request, the pricing below is for (1) Thompson Pump model 6JSVEE- as a dry-priming, high efficiency by-pass pump. It will be replacing an existing Thompson Pump within the City of North Port's fleet.

Sourcewell, formerly NJPA, serves as a National Municipal Contracting Agency which enables the City of North Port to avoid the hassle and expense of purchasing this pump through the public bid process. Sourcewell facilitates a **"competitive bidding process"** on behalf of its members' establishing a legal contract pathway which allows you to choose the products and equipment you want while saving you time and money. You can also visit us on the Sourcewell website at [www.sourcewell-mn.gov](http://www.sourcewell-mn.gov) by entering "Thompson Pump" or our contract number (012418-TPM) to view our landing page.
