Adrian:

Sorry, there was also a request for a 4th agenda item (*see below*) from Commissioner Luke. Would you be able to please add this to the June 26, 2022, City Commission Regular Meeting agenda?

Thank you, I greatly appreciate your assistance with this matter.

Respectfully,

**Juliana B. Bellia**

Subject: Agenda item

I'd like to add an item to an upcoming agenda for discussion and possible action... regarding a change to the definition/allowable uses in Commercial General. I'd like to suggest that light industrial be added to this designation. It makes no sense that manufacturing is not part of

commercial.... especially in activity centers. This topic may want to include possible changes to the current zoning map. Thank you - Jill Luke
