Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

I have always strived to serve my community whether that be at home or in college. In High School I served for 4 years on my hometowns environmental commission where I represented the youth of the town and aided in developing programs for that community as well as the village at large. In College I served on several communities including as Vice President of Student Council where I ran the committee dedicated to allocating the student budget. I have a deep civic passion and wish to continue that in North Port where my wife and I and both our parents live.
