RE: FPID 433552 - US41 Multi-Use Trail

Dear Mr. Jones:

The Florida Department of Transportation (FDOT) will construct a multi-use trail along each side of US41 within the City of North Port limits, between Tuscola Boulevard and Ortiz Boulevard. Portions of these trails will be within City of North Port property, abutting US41. The City of North Port conveys all rights of access to FDOT and its agents for construction of the US41 Multi-Use Trail on the properties of the City of North Port as shown on the above referenced project's construction plans.

Please contact me with any questions you may have regarding this consent.

Sincerely,
