PLEASE DO NOT REPLY TO ALL

Good afternoon, Commissioners,
Attached please find a memo from our Planning and leadership staff as a follow-up to conversations with you in regard to Planning Division staffing challenges. The memo and attachment outlines our beliefs of adjustments to important projects that we are working to complete. Our new Neighborhood Development Services Director begins on December 6th and will be able to get a better handle on the long term success of the Planning Division's staffing levels. We will work through the fiscal year 2023 budgeting process to ensure the best staffing levels are maintained going forward. I look forward to having additional conversations with you as we work to insure the timely processing of all requests handled by the Planning staff.

On behalf of A. Jerome Fletcher II, City Manager,
