### ORDINANCE NO. 2020-42

**AN ORDINANCE OF THE CITY OF NORTH PORT, FLORIDA, AMENDING THE CODE OF THE CITY OF NORTH PORT, FLORIDA, CHAPTER 58 – PLANNING AND DEVELOPMENT, ARTICLE III. – IMPACT FEES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTS; PROVIDING FOR CODIFICATION; AND PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, Chapter 58, Article III of the Code of the City of North Port, Florida (“City Code”) imposes impact fees for transportation, fire/rescue, law enforcement, general government, parks, and solid waste (“Impact Fees”); and

**WHEREAS**, City Code Sections 58-100 through 58-109 establish the provisions governing the imposition of all Impact Fees in the City of North Port; and

**WHEREAS**, on January 30, 2012, the City Commission adopted Ordinance No. 2012-01, establishing impact fee schedules based on the Impact Fee Study prepared by Tindale-Oliver & Associates, Inc. and dated September 13, 2011 (“Study”); and

**WHEREAS**, on February 24, 2014, the City Commission adopted Ordinance No. 2014-12, which established Impact Fee Schedules for the Transportation Impact Fee District, the Fire Rescue Impact Fee District, the Law Enforcement Impact Fee District, the General Government Impact Fee District, the Parks Impact Fee District, and the Solid Waste Impact Fee District; and

**WHEREAS**, on February 24, 2014, the City Commission accepted the Study, in which it was determined that the Impact Fee methodology and the rates contained in the Study were still valid based upon the most recent localized data as required by Section 163.31801, Florida Statutes (“Florida Impact Fee Act”); and

**WHEREAS**, on June 11, 2019, the City Commission adopted Ordinance No. 2019-06, which established the current Impact Fee Schedules for the Transportation Impact Fee District, the Fire Rescue Impact Fee District, the Law Enforcement Impact Fee District, the General Government Impact Fee District, the Parks Impact Fee District, and the Solid Waste Impact Fee District; and

**WHEREAS**, on June 11, 2019, the City Commission again accepted the Study, in which it was determined that the Impact Fee methodology and the rates contained in the Study were still valid based upon the most recent localized data as required by the Florida Impact Fee Act; and

**WHEREAS**, all of the capital improvements planned for and included in the Study, which are to be funded by Impact Fees, are directly related to services that the City of North Port is authorized to provide, and are services required by the general policies of the City pursuant to resolution, code, or ordinance; and

**WHEREAS**, the City Commission finds that population growth and non-residential development in the City have continued to increase, straining the adequacy of existing sources of funds to provide capital improvements to meet the demands created by new development; and

**WHEREAS**, the City Commission finds that the Impact Fees adopted by this article, and based on the Study, are not calculated based on – and will not be spent in order to address – the needs of non-growth-related infrastructure or for operations and maintenance; and

**WHEREAS**, the revised and updated North Port Comprehensive Plan, adopted in December 2008 and amended from time to time, establishes the policy that land development shall not be permitted unless adequate public capital facilities exist or are assured; and

**WHEREAS**, the North Port Comprehensive Plan establishes the policy that land development shall bear the full cost of the provision of the new or expanded public capital facilities required by such development; and

**WHEREAS**, the North Port Comprehensive Plan establishes that the imposition of Impact Fees is a preferred method of regulating land development so as to ensure that it bears the full cost of public capital facilities necessary to accommodate development and to promote and protect the public health, safety, and welfare; and

**WHEREAS**, based upon the Study, the testimony at public hearings, and a review of all of the facts and circumstances, in the reasonable judgment of the City Commission, the Impact Fees hereby established are at levels no greater than necessary to defray the cost of capital improvements directly related to the categories of residential and nonresidential land development listed herein; and

**WHEREAS**, the City Commission finds that the Impact Fees imposed by these amendments are based on the most recent, localized data as required by law and that the Impact Fee revenues will only be spent for system improvements for which the fee revenues were collected, consistent with the Study; and

**WHEREAS**, notice has been provided 90 days in advance of imposing new or increased Impact Fees to fund transportation, fire/rescue, law enforcement, general government, parks, and solid waste improvements necessitated by growth and development in the City in compliance with the Florida Impact Fee Act; and

**WHEREAS**, the City Commission has determined that the proposed amendments and rates serve the public health, safety, and welfare of the citizens of the City of North Port, Florida.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF NORTH PORT, FLORIDA:**

**SECTION 1 – FINDINGS**

1.01 The recitals outlined above are incorporated by reference as findings of fact.
