 - B. Contractor will invoice the City weekly. In accordance with the Local Government Prompt Payment Act, Florida Statutes Sections 218.70, *et seq.*, the City's payments shall be due forty-five (45) days after receipt of invoice. Contractor must invoice City for any interest accrued in order to receive the interest payment.
 - C. Non Appropriation. The parties acknowledge and agree that the obligations of the City to fulfill financial obligations of any kind pursuant to any and all provisions of this Contract, or any subsequent contract entered into pursuant to this Contract or referenced herein to which the City is a party, are subject to the provisions of Florida Statutes Section 166.241, as amended, regardless of whether a particular obligation has been expressly so conditioned. Since funds are appropriated annually by the City Commission on a fiscal year basis, the City's legal liability for the payment of any costs will not arise unless and until appropriations for such costs are approved for the applicable fiscal year by the City Commission (nor will such liability arise if, a request for such appropriations is excluded from the budget approved by the City Commission). Notwithstanding the foregoing, no officer, employee, director, member or other natural person or agent of the City will have any personal liability in connection with the breach of the provisions of this Section or in the event of a default by the City under this Section. This Contract does not constitute an indebtedness of the City nor an obligation for which the City is obligated to levy or pledge any form of taxation or for which the City has levied or pledged any form of taxation.

The insurance companies, by proper endorsement or through other means, agree to waive all rights of subrogation against the City, its officers, officials, employees, and volunteers, and the City's insurance carriers, for losses paid under the terms of these policies that arise from the contractual relationship or work performed by the Contractor for the City. Additionally, the Contractor, its officers, officials, agents, employees, volunteers, and any sub-consultants, agree to waive all rights of subrogation against the City and its insurance carriers for any losses paid, sustained, or incurred, but not covered by insurance, that arise from the contractual relationship or work performed. - (4) The City retains the right to review, at any time, coverage, form, and amount of insurance.
- (5) The procuring of required policies of insurance must not be construed to limit Contractor's liability nor to fulfill the indemnification provisions and requirements of this Contract. The extent of Contractor's liability for indemnity of the City shall not be limited by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between Contractor and its carrier.
- (6) Contractor is solely responsible for payment of all premiums for insurance contributing to the satisfaction of this Contract and is solely responsible for the payment of all deductibles and retentions to which such policies are subject, whether or not the City is an insured under the policy.
