

## Six Month Impact Statement

Define your non-profits missions/goals?

Literacy Volunteers of South Sarasota County (LVSSC) is dedicated to providing the men and women of our region with the English Literacy skills needed to reach their full potential as individuals, parents, workforce participants, and as citizens. This is accomplished through a variety of teaching methods including one-on-one tutoring, student charts, classroom group learning and an online learning system.

Indicators or methods used to measure impact?

As indicated in our application, seven measures will be used and reported on:

**1. Total Active Students in LVSSC:** 372, with an additional 153 on the waiting list.

**2. Students in North Port and Surrounding Areas:** 259 students reside in North Port or other locales served by the North Port Library, such as Port Charlotte and Punta Gorda.

**3. Training Engagement:** 17% of North Port-based students meet our weekly training time requirement.

**4. Work Ready Preparation Program:** Development is underway for eligible students to extend their learning.

**5. Job Placement & Employer Referrals:** Awaiting completion of the Work Ready Preparation program before referrals begin.

**6. Job Placement Success Rates:** Not yet available.

**7. The % of students placed who were performing satisfactory six months after their start date:** Not yet available.
