OF SARASOTA :

The undersigned CODE ENFORCEMENT INSPECTOR, upon his/her oath, deposes and says:

Respondent(s) has been served with a Notice of Violation and Order to Correct Violation, dated 9/24/2025, by first class mail, a copy of which is attached.

(1) The following complaint was received in the Code Enforcement Division:

I hope this message finds you well. My name is Steven Ball, and I serve as the Chairman of the Bobcat Trail Community Development District (CDD) in North Port.

We have received multiple resident complaints regarding the safety and accessibility of the sidewalk along Woodhaven Drive. The area is significantly overgrown with trees and bushes, making it unsafe for pedestrians and bicyclists.

Upon contacting Public Works, we were informed that the maintenance responsibility for this portion of the sidewalk lies with the adjacent golf course property. However, the golf course has been closed for over four years and is currently in foreclosure, and the owners have not been maintaining any part of the property.

The CDD is actively maintaining the small portion of land behind residential homes that falls within our jurisdiction, but the area in question remains neglected due to ownership issues.

Given the safety concerns and the lack of property maintenance, we are requesting Code Enforcement's assistance in addressing this issue. Our goal is to ensure that the sidewalk can be safely used by all residents and visitors.

Please let us know the next steps or any documentation you may need from our board to initiate action.

Thank you for your attention to this matter.

Sincerely,
Steven Ball
