Pete and Katy,

I want to give you heads up that I have a 15 min. presentation that I would like to have added to the agenda for Oct. 23rd. The Miccosukee tribe is interested in making a presentation to the commission at a public meeting in regards to WMS. I will have more details no later than Thursday and will give you all the info necessary, but for right now I wanted you to be aware! Thank you – Jill Luke

I'm quite certain that he would like to meet the individual commissioners that day, too, in their offices. I will have further info on that, too.
