RE: RFB No 2018-03

Dear Ms Louke,

Thank you for giving us the opportunity to propose the lawn service at the various select city properties for the City of North Port. We have personally visited all sites and are confident we have the resources and able to fulfill the obligations of these contracts set forth herein. NDL has been in business for over 40 years, of which our client base consists of municipalities, shopping centers, universities, medical facilities, home owner's associations and condo associations.

Since 2006, we have been the sole provider for lawn maintenance for the parks, facilities, utilities, emergency services, and road & bridge departments for Pasco County; a similar scope of work as this but much larger in scale. Being similar in nature to this contract, we were able to use the same techniques in coming up with a price per location based on square footages for labor rates and chemical prices. ***The specifications herein include the application of fertilizer and ant control both having line items in our bid calculators that can be easily identified when reviewing our bid pricing.***

In addition, we have been providing full service lawn maintenance in the past for Pinellas County and currently for Hillsborough County, Pinellas Park, City of Seminole and City of Dade City roads, medians and ponds. I am sure you will agree we provide professional service to add to the value of the community and if awarded this contract.

Our staff for this project would be located out of our Palmetto location where we run 13 crews and have a horticulture and irrigation staff as well. I have enclosed the following documents as part of this bid package:

- Required bid documents including
- Bid Bond
- Addendum 1 & 2
- Business License
- Pest Control License
- U of F Best Management Practices Training Certificates
- FNGLA Certified Horticulture Professional Certificate
- MOT Certifications
- References – and Pasco County letter
- Conflict of Interest
- Public Entity Crime Information
- Drug Free Workplace Certification
- Non-Collusive Affidavit
- No Lobbying Affidavit

If you have any questions, please feel free to call me.

Sincerely,

Diane Blase
Sr. Manager

Subject: Natural Designs Landscape Management (NDL)--Pasco County Contract

Natural Designs Landscape Management (NDL) has asked me for a reference. NDL was competitively selected and began working with Pasco County in 2006. From the very beginning we have never been disappointed with the service that NDL has provided. Our move away from multiple small contracts to one overall contractor has allowed us the leverage and flexibility necessary to adapt to changing budget conditions, while maintaining a solid business relationship and quality of service. NDL is currently Pasco County's primary contractor for landscape management and maintenance throughout the County. The current value of NDL's contract is approximately \$1.6 million per year. It is important to note that Pasco County just extended its contract with NDL for an additional five (5) years due to the exceptional service.

NDL has been an invaluable partner and this particular contract has been by far our most successful to date. Their success is due, in great part, to their employee longevity, supportive organizational culture and emphasis on exceeding our expectations. If selected, you will experience a productive partnership that is often rare in the arena of public contracts. The management team at NDL is experienced, responsive and focused. I highly recommend this firm.

I hope this helps. If I may be of further assistance or additional information is needed, please don't hesitate to contact me. Have a great day!
