Hi Amy,

As discussed on our call this morning, R1 agree with the changes the City made to the amendment. No further change necessary.

The estimated SFY 2019-20 PEMT Program Distribution amount for the City is **\$96,320.49**, the Net Federal Participation Amount and not **\$142K**. The 12% fee will be based off this amount.

You should have received an email from PCG on 4/21/2020 that reflects the distribution for the state. Please let me know if you need me to forward this to you.

Let me know if you have any questions.

Thanks,

Gina Auguste

Good morning Amy,
I had a nice weekend and I hope you had a great weekend as well.

I just checked on the status of the amendment and it is still under review by legal. We are looking to return it to you soon. Also, I will provide the updated projections for FY2020, factoring the transport volume decline.

Regards,

Gina Auguste

Gina,

Please see the City Legal response to the request to have the amendment signed, 1 & 3 comments. We will need the date to be changed to July 2, 2020 (date of actual Commission meeting) also, we needed to update signature blocks with actual names of those signing.

Please respond back if these changes made are acceptable.

Hi Chief Bennett,
I hope that you are well.

This email is pursuant to the voicemail I left you earlier.

Attached is the first amendment that reduces the PEMT fee from 15% to **12%** of the City revenues, which will apply to the payment expected for 2020.

Please have your legal reviewer look over the agreement and let me know if you have any questions. It has been partially executed.

Stay safe and be well!
