

CONSTRUCTION & DISASTER MANAGEMENT

City of North Port

Modular Building Sam Shapos Way

This proposal is due to Hurricane Ian damaging the roof on the modular building. The following items are what we are proposing needs to be done to get the building dried in with temporary repairs.

1. Removal of damaged sections of the roof
2. Install temporary sheathing as to not create a weak point for the temporary roof
3. Install temporary water proofing on roof
4. Clean up debris from around the building for safety concerns

The price for this proposal is \$3,540.00. Total cost is a Not to Exceed amount and contractor will notify client if the need for a scope change and / or the cost reaches 80% of the total amount.

Scope of Work	Hourly Rate	Quantity	Total Hours/SF	Total
Remove damaged roof panels	\$ 65.00	2	4	\$ 520.00
Install temporary water proofing for roof	\$ 65.00	2	4	\$ 520.00
Material for temporary roof	\$ 325.00	4	1	\$ 1,300.00
