RE: North Port, FL Screening Project

Dear Mr. Nosbisch,

This letter is to confirm that Parkson Corporation is the sole provider for the Aqua Guard® Ultra Clean fine screening equipment you are considering. For your project we are proposing our Aqua Guard® Ultra Clean MN machine (AGUC-MN-A). Parkson Corporation is the original manufacturer/supplier of the subject product and is the only source for OEM replacement parts. Parkson will also self-perform the installation of this screen per the details in our bid proposal.

If I can be of further assistance or should you have any questions, please feel free to contact me.

Sincerely,
