

AWAKEN CHURCH

January 14, 2021

To Janet Carrillo and whom it may concern,

Awaken Church is interested in renting the space in the CEC. (The old Salvation Army location). We are planning to house a food pantry/ outreach and distribution location there.

We have interest in any of the parts of the building that may come available in the future as well. We have a plan to implement services and ministry to our less fortunate neighbors in North Port!

Please let us know what our next steps are, so that we may get in and start using the space as soon as possible.

Sincerely,

Brian Zdrojowy
