REQUEST FOR LETTERS OF INTEREST NO. 2024-01

CITY OF NORTH PORT 2024 WATER DISTRIBUTION SYSTEM IMPROVEMENTS

The City of North Port Utilities Department (NPU) is currently accepting letters of interest from all the firms within Contract No. 2020-58, Category 2 for Professional Engineering Services for NPU. The 2024 Water Distribution System Improvements project design is budgeted for fiscal year 2024.

INTENT: It is the intention of NPU to secure professional engineering services to design, permit and provide for construction phase and certification services for the 2024 Water Distribution System Improvements project. The project will include looping of Lemay Lane, Marcella Terrace, Radcliff Avenue, Sahara Lane, Snowflake Lane, Wall Lane, Yacolt Avenue. GIS maps are included showing these areas to be looped.

BACKGROUND/SCOPE OF SERVICES:

BACKGROUND

NPU owns and operates an extensive water distribution system within the City of North Port. In some areas, the distribution system was constructed in a fashion where completed loops were not required. NPU has identified several areas where short pieces of additional water main will complete loops thus eliminating dead ends, reducing flushing and improving water quality.

SCOPE OF SERVICES

TASK 1- PROJECT MANAGEMENT AND COORDINATION

This task will include overall project management by the consultant and coordination with NPU, attendance at project meetings, assistance with any permitting coordination as needed. This task will include a project kickoff meeting with NPU staff to review the project, regulatory concerns, and any items pertinent to the progress of the project.

Additional data may be requested as needed. The firm will work with NPU staff to acquire the information. This may include phone calls, meetings, site visits and email communications with staff.

TASK 2 – DESIGN AND PERMITTING

The firm shall develop design drawings, technical specifications, and details for the water main loops on Lemay Lane, Marcella Terrace, Radcliff Avenue, Sahara Lane, Snowflake Lane, Wall Lane, Yacolt Avenue. The firm will prepare all permit applications necessary to execute construction of the project. The specifications will conform to the City's

procurement procedures and related front-end documents. The selected firm should use the NPU updated specifications and details, supplementing as necessary for a full set.

TASK 3 – BID SERVICES

The firm shall develop a detailed, line item, unit price all-inclusive bid form, non-standard contract documents, and an estimate of the construction time for use by NPU. The firm will develop an Engineer's Opinion of Probable Cost for use by NPU in the bidding process. The firm will attend a pre-bid meeting as necessary and assist the City in answering contractor questions via addenda during the bidding process. Upon receipt of bids, the firm will evaluate the bids and make an award recommendation to the City.

TASK 4 – CONSTRUCTION SERVICES AND CERTIFICATION

The firm will attend a preconstruction meeting, review submittals/shop drawings, evaluate requests for information (RFIs), change order (COs) requests, and provide limited construction observation in order to certify the project completion. The firm will use construction information provided by NPU, limited construction observation and information provided by the Contractor to finalize record drawings, complete construction certification forms and submit same to the regulatory agencies to certify the project for service.

TASK 5 – DELIVERABLES AND SCHEDULE

The firm shall provide an electronic copy, and one original hard copy of their 60% design plans, technical specifications and details within 20 weeks of the Kick-off meeting. The technical specifications, bid form and all other written material will be provided electronically in Microsoft Word format and portable document format (pdf). Any plans will be provided in (pdf) and in AutoCAD format. Once this contract is complete, the technical specifications, bid form and details will become property of NPU and the City of North Port.

DELIVERABLES

The deliverables to be provided for this project include the following:

- Kick-off meeting
- Data request list
- Attendance at progress meetings with the NPU as needed
- Design of water mains
- 60% and 90% design submittal (plans and specifications)
- Review 60% and 90% plans and specifications with NPU
- Permit applications
- Final design, permits, specifications and details, sixteen (16) weeks after Kick-off meeting for bidding
- Conformed Documents prior to construction
- Review of shop drawings/submittals, RFIs, and COs, as applicable
- After construction, certification of construction and record drawings

PROPOSAL REQUIREMENTS

Proposals shall include a project plan which specifies the firm's understanding of project and required deliverables; ability and relevant expertise/qualifications of the firm's personnel to be used in performing the service; availability of staff and ability to meet project schedule; the firm's proposed cost saving measures for the project, if any; and provide a schedule that will meet the timeline requirements of this project.

Engineers are to provide references for at least three (3) similar projects within the last five (5) years. Name, title, email and phone numbers are required for appropriate contact for each reference.

Proposals are to include the names of all subcontractors to be used on this project.

ATTACHMENTS

1. Statement of Non-Submittal
2. Conflict of Interest Form
3. Disclosure for Consultant, Engineer, Architect
4. City of North Port Proposed Water Main Looping- GIS maps

Please Note: The Conflict of Interest Form and Disclosure for Consultant, Engineer, and Architect **must be submitted** with proposals for consideration.

Any questions concerning this project must be submitted via email to both Jennifer Fehrs and Brittany Kammerer at jfehrs@northportfl.gov and bkammerer@northportfl.gov, respectively no later than **August 18, 2023**.

All firms within Contract No. 2020-58, Category 2, are encouraged to submit a letter (not to exceed three single-sided pages) that provides the above information and adequately expresses why it would be in the City's best interest to select the submitting firm(s).
