- B. Prohibited signs in a Neighborhood Commercial District shall be as follows:
- (3) Freestanding monument signs

To include one freestanding monument sign for advertising fuel prices

Florida Statutes preempt local governments from imposing restrictions on signage advertising gasoline pricing

Staff supports this waiver

ULDC Sec. 53-179.A – Permitted Principal Uses and Structures

A. The following ...shall hold hours of operation (including deliveries) no earlier than 5:00 a.m. to no later than 10:00 p.m.

Applicant Request

To increase hours of operation to
24 hours/7days

Staff Analysis

24 hours/7days operation could be
more disruptive to the adjoining
residences with increased noise
and traffic late at night

Staff does not support this waiver

ULDC Sec. 53-182 – Buffer Zone and Landscaping

A buffer zone is intended to provide noise abatement and an effective visual barrier between different land uses...

Applicant Request

To donate Lot 2 to the City for a possible park in lieu of providing a 20ft landscape buffer with 8ft wall or berm

Staff Analysis

Lot 2 will provide the required visual and sound barrier to adjoining residences, while a future park will create an additional amenity

Staff supports this waiver

ULDC Sec. 25-7.A – Dimensional Standards
