<a href="#">R008877-100622</a>	10/6/2022	Public Records Request - Solar Permit Data Chris Collins	data@ohmanalytics.com	Hi, We are conducting research on solar activity in the U.S. and would like access to the following data: • Note that we do not need the original records nor need scanned copies - just the data that can be produced in excel or CSV format by the software used by your department to track permits and an email receipt is preferred. • Issued Residential and Commercial solar (photovoltaic - PV) permits from 07/01/2022 to 09/30/2022. If a separate Solar Permit category is not used in the permitting system, please provide data on all Building and Electrical Permits within the time frame specified AND • Issued Residential and Commercial Energy Storage Systems permits from 07/01/2022 to 09/30/2022. If a separate Energy Storage category is not used in the permitting system, please provide data on all Building and Electrical Permits within the time frame specified • The following data points: permit number, permit status, permit address, contractor, issue date, final date, permit type, sub-type, valuation (if available), work description and if possible please include Storage/Battery Manufacturer Name. • If possible, please provide the reports in CSV or excel format. • If available, we need a final / completion date for the solar permits. It's okay if there is a delay in this request, given the current situation with COVID-19. Regards, and stay safe, Chris		Assigned
