

City of North Port

5930 Sam Shapos Way

This proposal is due to damage from Hurricane Ian to 5930 Sam Shapos Way. This property consists of an office building and an old pool area. We are proposing the following scope to temporarily secure the building from any further damage and to remediate the affected area.

1. Remove damaged roof panels
2. Install temporary water proofing to dry-in roof
3. Clean up debris around building as it creates a safety concern due to the proximity to a playground

The price for this proposal is \$19,200.00. Total cost is a Not to Exceed amount and contractor will notify the client if the need for a scope change and/ or the cost reaches 80% of the total amount.
