Please list any Civic organizations to which you belong.

Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

As a 16-year resident of North Porth, I have seen the population and business community grow each year. Because the charter is the directional beacon outlaying how the city operates it is important that it keep pace with new challenges. This will allow the governing body of the city to correctly address issues that impact the quality of life and safety of residents.
