Subject: presentation June 25

Categories: Commissioners

Pete,

I thought that I sent a request for a presentation to be placed on the agenda for June 25th, but I'm not seeing it in the email! The presentation would be done by Edie Driest, Friends of Wildlife, and Debbie Blanco, of Sarasota County Gov. They will present about potential land preservation through ESLOC grants for scrub jay habitat. They have filed applications for 2 parcels to be considered for this purpose. After the presentation, I would like to ask the commission to write a letter in support for these applications, which would be potentially heard in the Aug meeting of ESLOC. They will produce the backup material by the 14th for the item. Thank you – Jill Luke
