Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

I desire to serve on the Board because I want to exercise my rights as a citizen and display my knowledge, passion, and love for civil law. I believe in fairness and equality amongst everyone. As an adolescent, I appreciate the civic duties and responsibilities every citizen has. I also appreciate the amendments and freedoms that are bestowed upon us to guarantee success. According to the Muni code library, "The charter review advisory board shall also review, at least annually, the city charter and any self-initiated or suggested changes from the city commission or city administration to determine if any proposed charter amendments should be formulated in writing for submission to the mayor and city commission to initiate." This position has so much weight and demands intellect and passion. Both of these traits are something I possess and as a youth, it would be my honor to represent my peers amongst such matters and be a good Samaritan in any way i can. I currently along with this have recently gotten in touch with a law firm in Punta Gorda in which i will learn through a paid internship family law, criminal law and injury law. Last summer I had an summer paid internship at Schwarz&Harris P.A. in which I exercised expertise in elderly law. I intend to pursue an MD/JD degree to specifically tailor and be accustomed to litigation, malpractice claims, insurance fraud and such in the future. Thank you for reading this and getting a piece of my background. My Mock Trial background and Speech and debate background has helped me hone argumentative skills, leadership skills and communication skills. My leadership being a student body president and raising money to fund our class's graduation helps me hone in critical thinking skills and leadership skills needed for the position. My activeness in the STAR program (students taking active roles) at the Boys&Girls Club at Lee Wetherington helped me understand my rights as a citizen and what i can do to make my community a better place.
