Heather -- Please add this to the January 9 agenda, under my Commission Comments.

- Virtually attended two FLC Webinars for the Advocacy Committee
- Sent an email to Rep Buchanan opposing the two Constitutional amendments to raise the homestead exemption due to the negative effects this would have on property tax revenue collected for the city, potentially increasing the millage rate to make up the short fall which affects residential and business property owners.
- Chamber holiday luncheon
- Homeless 2 Home luncheon
- Guest Speaker at Coldwell Banker, Sunstar Realty

Thanks

Debbie
