

Six Month Impact Statement

Define your non-profits missions/goals?

Big Brothers Big Sisters of the Sun Coast's mission is to create and support one-to-one mentoring relationships that ignite the power and promise of youth. Its vision is for all youth to achieve their full potential.

Our goal is that our clients have the tools and support needed to achieve academically, gain the capacity to achieve their potential, and live a life of resilience, financial self-sufficiency, and good citizenship.

Indicators or methods used to measure impact?

Among the 7 North Port high school students that received Lenovo Notebooks thanks to this grant, 4 are 7 living at or below the poverty level, and all did not have access to technology at home. As to race/ethnicity data, among the 7 students, 4 are White, 1 is Black, and 2 are Latino.

Rates of timely grade level promotion and high school graduation will be reported in the 12-month impact statement (after the end of this 2024-25 academic year). This is measured utilizing report cards that the Sarasota County School District provides to us pursuant to our interagency agreement.
