

Title	<b>City of North Port: Spring Haven Roadway Expansion</b>	03/18/2024
	by <b>Michael Davey</b> in <b>Infrastructure &amp; Public Facilities Public Entity Application</b> on behalf of <b>NORTH PORT ART CENTER</b>	id. 45940507
	4970 City Hall Blvd North Port, Florida 34286 FL United States 9414684644 mdavey@northportfl.gov	

## Original Submission 03/18/2024

Score	n/a
Public Entity Applicant Information	
Is this your first submission?	No
1.a. Primary Point of Contact	Michael Davey
1.b. Primary Point of Contact Email	mdavey@northportfl.gov
1.c. Primary Point of Contact Phone Number	+19414684644
2.a. Alternate Point of Contact	Jennifer Sadonis
2.b. Alternate Point of Contact Email	jsadonis@northportfl.gov
2.c. Alternate Point of Contact Phone Number	+19414297006
Public Entity Project Information	
3. Project Name	City of North Port: Spring Haven Roadway Expansion

4. Select which CDBG-DR eligible activity the project qualifies for (select all that apply)

Restoration of infrastructure (such as water and sewer facilities, streets, provision of permanent generators, bridges, etc.)

---

5. Total Project Budget Spreadsheet

[project budget.xlsx](#)

---

6. Amount of CDBG-DR funds requested for this project

5945000.0

---

7. Are there any other additional funding sources for this project?

Yes

---

7.a. Other Source of Funds

[source of funds excel.xlsx](#)

---

7.b. Have all funds from other sources been awarded/received?

Yes

---

8. Does the project have a physical address?

Yes

---

Project Location

4970 City Hall Blvd  
North Port  
FL  
34286

-82.20605

---

9. Project Description

Extension of Spring Haven Drive from Pan American Boulevard to Price Boulevard, providing an additional evacuation route and a second exit point for the neighborhood east of Pan American boulevard. The location of this project is at LAT/LONG 27.069755, -82.235100. During Hurricane Ian, evacuation routes were severely impacted and demonstrated the need for expanded roadway infrastructure to ensure the safety of citizens during future storm events. This project will allow for a second evacuation route for approximately 6,000 citizens, 3,000 of which live in an LMI area.

---

10. How is this project related to Hurricane Ian?

During Hurricane Ian, evacuation routes were severely impacted and demonstrated the need for expanded roadway infrastructure to ensure the safety of citizens during future storm events. This project will allow for a second evacuation route for approximately 6,000 citizens, 3,000 of which live in an LMI area.

---

11. Provide the month and year of the estimated completion date of the project.	09/2026
12. Select which HUD National Objective the project meets (select all that apply)	Benefit to low-to-moderate income (LMI) persons Meet a need having a particular urgency (referred to as an urgent need)
12.a. Upload Census Tract Map	
<a href="#">City_of_North_Port_Map_for_Spring_Haven_Roadway.docx</a>	
13. Mitigation measures that will be used on the project (select all that apply)	Incorporating resilient construction standards Using resilient building materials and technology Integration of open space or use of nature to manage flooding
14. Resilience performance metrics that will be used on the project (select all that apply)	Number of properties with access above 100 year or 500-year flood level Number of linear feet/miles of public improvement Number of public facilities constructed or reconstructed Number of residents protected from future flooding
15. Describe the urgency of the repair and how this project benefits the community.	The expanded roadway infrastructure will ensure the safety of citizens during future storm events, creating a second evacuation route for approximately 6,000 citizens, 3,000 of which live in an LMI area.
16. Describe the steps that will be taken to ensure disadvantaged, underserved communities, and/or vulnerable populations are not negatively affected.	The expanded roadway infrastructure will positively impact the safety of citizens during future storm events, creating a second evacuation route for approximately 6,000 citizens, 3,000 of which live in an LMI area.
17. Are there any known or potential environmental/historic concerns associated with the project?	Yes
17.a. Describe your approach to mitigate these concerns.	The city will be sure to provide wildlife crossings to accommodate wildlife from Little Salt Springs

18. Have there been any environmental studies or assessments completed? Yes

Upload completed environmental studies or assessments

19. Cost Benefit Analysis Provide a cost benefit analysis that details the project costs and number of persons served using the methodology provided below. Please explain the data sources used to determine the number of beneficiaries. Methodology: The cost per person ratio is determined by dividing the CDBG-DR project application amount by the number of total project beneficiaries. Example: City A has submitted a project application in the amount of \$300,000. The total project beneficiaries are 1,850. Result:  $\$300,000$  (project application amount) / 1,850 (total project beneficiaries) = \$162.16 per person benefiting

Cost Benefit Analysis Table

19.a. Please explain the data sources used to determine the number of beneficiaries in the cost benefit analysis. US Census and LMI Mapping Tool

20. Are there any existing contracts related to this project? No

21. Has any construction work started for this project? No

Public Entity Pre-Award Assessment

22. Has the organization previously been awarded funding from HUD? Yes

22.a. Describe the type of funding awarded and when the funds were awarded. The City of North Port has received pass-through Community Development Block Grant - Mitigation funds for Hurricane Irma through the State of Florida for two utilities projects in 2022 (currently active). North Port also receives a yearly pass through allocation of Community Development Block Grant funds from Sarasota County..

22.b. Has the organization ever been on any corrective action plans? If yes, describe.	No
23. Has the organization ever undertaken the proposed activity before?	No
24. Briefly describe the qualifications/credentials and experience of key staff responsible for this project.	<p>Chuck Speake, Director of Public Works</p> <p>Tricia Wisner, MBA, Assistant Director of Public Works</p> <p>Danny Quick, P.E., City Engineer</p> <p>Anthony Friedman, P.E., PTOE, Transportation Engineer</p> <p>Elizabeth Wong, P.E., Stormwater Manager</p> <p>Valerie Malingowski, Grant Division Manager</p> <p>Michael J. Davey, PhD, Grants Coordinator</p> <p>Jennifer Sadonis, Grants Coordinator</p>
25. Describe how and who will monitor progress in implementing the project including any data collection tools that will be used to verify achievement of project goals and objectives	<p>Staff for the Department of Public Works and the Grants division will utilize project management software to track timelines, expenses, and expectations for the project. Project progress data is reported quarterly. Grant staff will monitor and report progress throughout the entire life-cycle of the grant.</p>
