Michael,

I am interested in serving as the combined Hearing Officer hearing both CEB and BZA cases, or any other type of case the city decides to place on the hearing officer. My rate remains the same as it did in my response to proposal 2015-13.

Jim

Jim,

I am putting together the resolution we spoke about this morning. If you don't mind, please send me an email confirming your interest in serving as the city's hearing officer to preside over both the code enforcement and zoning hearings for an additional four years, utilizing the rates set forth in your response to the request for proposal no. 2015-31.

Thank you,
