The Contract Time includes the preparation, submittal, review, and approval of submittals, delivery of materials, and construction, assembly, adjustment, and placement into service for beneficial use of all facilities covered under this Contract.

- C. Process for Completion.
 - (1) Delivery of Documents Prior to Substantial Completion. Fourteen (14) calendar days prior to the expiration of the time for substantial completion, the Contractor must deliver to the City the record drawings and all other submittals required in the Contract. After delivery, the City will review the work identified in the Contract, the record drawings, and other submittals, excluding pay requests.

The punch list must identify the remaining items required to render the construction services complete, satisfactory, and acceptable to the City and for the Contract to meet its obligations under this Contract. The Contractor must deliver a response to all questions no later than five (5) calendar days after receipt. The City will deliver the final punch list no later than five (5) calendar days after receiving the Contractor's response.

2. CONTRACT PRICE.

The contract price is ONE HUNDRED EIGHTY-SEVEN THOUSAND SEVEN HUNDRED SEVENTY DOLLARS AND ZERO CENTS (\$187,770.00) ("Contract Price").

3. CONTRACT DOCUMENTS.

A. Scope and Incorporation of Bid Documents. The work includes an ADA-compliant, prefabricated concrete restroom and related site improvements at Marina Park. There is no existing restroom or formalized parking associated with this popular boat launch. Water, sewer, and power are available, connections to which will be the responsibility of the Contractor, as described in the Request for Bid No. 2022-35 ("RFB"), including plans, drawings, specifications, addenda, permits, diagrams, and other related documents, as well as the Contractor's response to the RFB (collectively, "Contract Documents"). The Contract Documents are specifically made a part of this Contract and are incorporated by reference. In the event of a conflict between or among the documents or any ambiguity or missing specifications or instruction, the following priority is established:

- (1) This Contract and all attachments and exhibits.
- (2) The RFB, including all attachments and addenda.
- (3) The Contractor's response to the solicitation.
- (4) Specific direction from the City Manager or designee.

4. THE CONTRACTOR'S RESPONSIBILITIES.

A. Supervision.

- (1) The Contractor must supervise and direct all work performed to the best of its ability, give the work all the attention necessary for proper supervision and direction, and only employ workers with sufficient skill to perform the job assigned.
- (2) The Contractor assumes full responsibility for all acts, negligence, or omissions of its employees, for those subcontractors and their employees, and for those of all other persons doing work under a contract with a Contractor in furtherance of this Contract.

B. Labor and Materials.

- (1) The Contractor must provide and pay for all labor, materials, and equipment, including tools, construction equipment, and machinery, as well as all transportation and all other facilities and services necessary for the proper completion of the work in strict conformity with the provisions of this Contract and the Contract Documents.

The Contractor and the City agree that all equipment and materials not in conformity with this Contract are defective.

C. Public Records Law. In accordance with Florida Statutes Section 119.0701, the Contractor must comply with all public records laws, and must specifically:

- (1) Keep and maintain public records required by the City to perform the service.
 - (a) The timeframes and classifications for records retention requirements must be in accordance with the General Records Schedule GS1-SL for State and Local Government Agencies.
(See <http://dos.state.fl.us/library-archives/records-management/general-records-schedules/>)
 - (b) "Public records" means and includes those items specified in Florida Statutes Section 119.011(12), as amended from time to time, and currently defined as: All documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made, or received pursuant to law or ordinance or in connection with the transaction of official business with the City. The Contractor's records under this Contract include but are not limited to, supplier/subcontractor invoices and contracts, project documents, meeting notes, e-mails and all other documentation generated during the term and in furtherance of this Contract.

- (2) Upon request from the City's custodian of public records, provide the City, at no cost, with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for by law. All records kept electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.
 - (3) Ensure that project records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and if the Contractor does not transfer the records to City following completion of the Contract, the Contractor must maintain the project records for the time specified in General Records Schedule GS1-SL for State and Local Government Agencies.
 - (4) Upon completion of the Contract, transfer, at no cost to the City, all public records in the Contractor's possession or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the Contract, the Contractor must destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon the completion of the Contract, the Contractor must comply with all applicable requirements for retaining public records.
 - (5) **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF FLORIDA STATUTES CHAPTER 119 TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: CITY CLERK, 4970 CITY HALL BOULEVARD, NORTH PORT, FLORIDA 34286, 941.429.7063 OR HOTLINE 941.429.7270, publicrecordsrequest@northportfl.gov.**
 - (6) Failure of the Contractor to comply with these requirements constitutes a breach of this Contract. Further, the Contractor may be subject to penalties under Florida Statutes Section 119.10.
- D. Contractor's Affidavit. When all work contemplated by this Contract has been completed and has been inspected and approved by the City or its authorized agent, the Contractor must furnish the City with a Contractor's Affidavit in a form acceptable to the City. Signed affidavits of payment are required from all subcontractors hired by the Contractor, unless payment is approved by the surety in accordance with Florida Statutes Section 255.05(11). The affidavits must state whether the subcontractor(s) have been paid in full or whether there are payments remaining. A list of all subcontractors must be furnished to the City prior to any payments against the Contract.
- E. Subcontractors and Suppliers. All contracts between the Contractor and any subcontractor that the Contractor hires must conform to the provisions of this Contract and the Contract Documents. The Contractor must incorporate the requirements of this Contract in the subcontracts. The Contractor must furnish the City with a list of all subcontractors and suppliers prior to any payments against the Contract. All subcontractors are subject to the City's approval. No change in subcontractors or suppliers will be made without written consent and approval from the City. All

subcontractors must comply with Florida Statutes Section 448.095 for registration and use of the E-Verify system operated by the United States Department of Homeland Security.

- F. Licenses and Permits. The Contractor must pay all taxes required by law in connection with the activities done in furtherance of this Contract including sales, use, and similar taxes, and unless otherwise mutually agreed to in writing, must secure all licenses and permits necessary for proper completion of the work, and pay any related fees.
- G. Laws and Regulations. Violation of any local, state, or federal law in the performance of this Contract constitutes a breach of this Contract. The Contractor must comply with all laws, ordinances, rules, regulations, and orders of all public authorities relating to the performance of the work required. If any of the Contract documents are at variance with any law or regulation, the Contractor must notify the City promptly upon discovery.
- H. E-Verify System. During the term of this Contract, the Contractor must be registered with and use the Department of Homeland Security E-Verify System as required by Florida Statutes Section 448.095, Employment Eligibility, including but not limited to verifying the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor must maintain a copy of the affidavit for the duration of the contract.

5. PAYMENT.

- A. Payment Requests. The Contractor must use a City approved form for all payment requests, along with an updated work schedule reflecting the progress of all work. Payment requests must be accompanied by either written approval and direction of the surety, or receipt of updated affidavits of payment by subcontractors and/or suppliers, in accordance with Florida Statutes Section 255.05(11). The Contractor's payment request must include any changes approved in previous payment requests.
- B. Payment. The Contract Price is net, and all payment requests are payable according to the Florida Local Government Prompt Payment Act (Florida Statutes Section 218.70, *et seq.*). The City or its authorized agent will make payment to the Contractor for all services or work completed or materials furnished in accordance with this Contract only upon certification and approval of the payment request.
- C. Timing of Payments; Retainage. The City will not make payments to the Contractor more frequently than monthly. Payment must be based on the total value of the work completed and accepted during the preceding month, less five percent (5%) retainage. The City must inform the Contractor's surety of any reduction in retainage. Retainage may be reduced upon issuance of the Certificate of substantial completion by the City if, in the sole opinion of the City, sufficient progress on the schedule has been accomplished, all required affidavits have been provided, and the City has retained adequate coverage for the project through the achievement of Final Completion.
- D. Final Payment. The City's or its authorized agent's approval is required before making final payment for all work, materials, or services furnished under this Contract.

6. LIQUIDATED DAMAGES.

- A. Generally. The work performed must be completed within the Contract Time.
- B. Amount. The City and the Contractor agree that the City will suffer damages if the work is not substantially completed within the Contract Time, plus any extensions allowed by Change Order(s). The parties further agree determining the exact value of the City's damages due to a delay in the substantial completion of the work would be a difficult, time consuming, and costly process. The parties agree that it is in their mutual interest to establish a figure of SEVENTY-SIX DOLLARS and NO CENTS (\$76.00) as liquidated damages (but not as a penalty) to be paid by the Contractor to the City for each calendar day that substantial completion is delayed beyond the Contract Time.
- C. Adjustments prohibited. The parties agree that neither will make any claim to increase or reduce the amount to be paid under liquidated damages as the result of any calculation of actual damages the City suffered as the result of delay in the substantial completion of the work.

7. BOND REQUIREMENTS.

- A. Performance and Payment Bond. The Contractor must provide a performance and payment bond, in the form prescribed in Florida Statutes Section 255.05, in the amount of one hundred percent (100%) of the Contract Price, the costs of which are to be paid by the Contractor. The bond will be acceptable to the City only if the surety company:
 - (1) Is licensed to do business in the State of Florida;
 - (2) Holds a certificate of authority authorizing it to write surety bonds in the State of Florida;
 - (3) Has twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued;
 - (4) Is otherwise in compliance with the provisions of the Florida Insurance Code;

- B. Substitute Bond Required. If the surety company for any bond furnished by the Contractor files for bankruptcy, has a receiver appointed, is declared bankrupt, becomes insolvent, has an assignment made for the benefit of creditors, has its right to do business terminated in the State of Florida, or ceases to meet the requirements imposed by this Contract, the Contractor must,

within five (5) calendar days thereafter, substitute another bond and surety company, both of which are subject to the City's approval.

- C. Surety Acceptance of Terms. The Contractor warrants that the Contractor delivered this Contract to the surety prior to execution of the bond, and that the surety company acknowledged that it has read the surety qualifications and surety obligations imposed by this Contract and satisfies all conditions.
- D. Delivery of the Bond. The Contractor must provide the required performance and payment bond to the City within ten (10) calendar days of the Effective Date. The Contractor's failure to provide the bond timely constitutes a default. Pursuant to Section 2-404 of the Code of City of North Port, Florida, upon default, the City may immediately award the bid to the next lowest responsive and responsible bidder and recover from the Contractor the difference in cost between the original winning bid and the next lowest responsive and responsible bidder. The default is only curable at the option of the City.
- E. Recording the Bond. The Contractor is responsible and bears all costs associated with recording the required bond or security with the Sarasota County Clerk of the Circuit Court. The Contractor must furnish the receipt for and certified copy of the recorded bond to the Purchasing Division at the time of the pre-construction meeting. The default is only curable at the option of the City.

- (4) Proof of insurance must be filed by the Contractor with the City within ten (10) calendar days after the Effective Date of this Contract.
- (5) These insurance requirements are minimum requirements and in no way limit the indemnity covenants contained in this Contract. The City in no way warrants that the minimum limits are sufficient to protect the Contractor from liabilities that might arise out of the performance of the work done by the Contractor, its agents, representatives, employees, or subcontractors. The Contractor is free to purchase additional insurance as it may determine necessary. The extent of the Contractor's liability for indemnity of the City must not be limited

by insurance coverage or lack thereof, or unreasonably delayed for any reason, including but not limited to, insurance coverage disputes between the Contractor and its carrier.

- B. Workers' Compensation and Employers' Liability Insurance. Coverage pursuant to Florida Statutes, Chapter 440 must apply to all employees at the statutory limits provided by state and federal laws. Failure to notify the City shall be deemed a material breach of this Contract.

F. Waiver of Subrogation. All required insurance policies, except for Workers' Compensation, are to be endorsed with a Waiver of Subrogation. The insurance companies, by proper endorsement or through other means, must agree to waive all rights of subrogation against the City, its Commissioners, officers, officials, employees, volunteers, and the City's insurance carriers, for losses paid under the terms of these policies that arise from the contractual relationship or work performed by the Contractor for the City. It is the Contractor's responsibility to notify its insurance company of the Waiver of Subrogation and request written authorization or the proper endorsement. ADDITIONALLY, THE CONTRACTOR, ITS OFFICERS, OFFICIALS, AGENTS, EMPLOYEES, VOLUNTEERS, AND ANY SUBCONTRACTORS, AGREE TO WAIVE ALL RIGHTS OF SUBROGATION AGAINST THE CITY AND ITS INSURANCE CARRIERS FOR ANY LOSSES PAID, SUSTAINED, OR INCURRED, BUT NOT COVERED BY INSURANCE, THAT ARISE FROM THE CONTRACTUAL RELATIONSHIP OR WORK PERFORMED. THIS WAIVER APPLIES TO ANY DEDUCTIBLES OR SELF-INSURED RETENTIONS FOR WHICH THE CONTRACTOR OR ITS AGENTS MAY BE RESPONSIBLE.

G. Policy Form.

- (1) All policies required by this Contract, except for Workers' Compensation, or unless specific approval is given by Risk Management through the City's Purchasing Division, are to be written on an occurrence basis, and must name the City of North Port, Florida, its Commissioners, officers, agents, employees, and volunteers as additional insured as their interest may appear under this Contract. Claims made policies may be accepted for professional liability, hazardous materials and other risks as are authorized by the City's Purchasing Division. All claims made policies contributing to the satisfaction of the insurance requirements must have an extended reporting period option or automatic coverage of not less than two (2) years. If provided as an option, the Contractor must purchase the extended reporting period on cancellation or termination unless a new policy is affected with a retroactive date, including at least the last policy year.

The Contractor is responsible for any modifications, deviations, or omissions in these insurance requirements as they apply to its subcontractors.

 - (a) Apply separately to each insured against whom claim is made and suit is brought, except with respect to limits of the insurer's liability.
 - (b) Be endorsed to state that coverage must not be suspended, voided, or cancelled by either party except after notice is delivered in accordance with the policy provisions. The Contractor is to notify the City's Purchasing Division of any occurrence by written notice via certified mail, return receipt requested.
- (4) The City retains the right to review, at any time, coverage, form, and amount of insurance.
- (5) The Contractor is solely responsible for payment of all premiums for insurance required in this Contract and is solely responsible for the payment of all deductibles, SIR (self-insured retentions), any loss or portion of any loss that is not covered by any available insurance

policy, and retention as set forth in the policies, whether the City is an insured under the policy. The Contractor's insurance is considered primary for any loss, regardless of any insurance maintained by the City.

- (6) All certificates of insurance must be approved by the City before commencement of any work. All required certificates of insurance must be accompanied by a copy of the additionally insured documents/endorsements (CG 20101185 or combination of CG 2010370704 and CG 20370704). - A. TO THE EXTENT PERMITTED BY FLORIDA LAW, THE CONTRACTOR ASSUMES ALL LIABILITY FOR, AND RELEASES AND AGREES TO DEFEND, INDEMNIFY, PROTECT, AND HOLD HARMLESS THE CITY, ITS COMMISSIONERS, OFFICERS, AGENTS AND EMPLOYEES, FROM ALL LIABILITIES, FINES, CLAIMS, ASSESSMENTS, SUITS, JUDGMENTS, DAMAGES, LOSSES AND COSTS, INCLUDING CONSEQUENTIAL, SPECIAL, INDIRECT, AND PUNITIVE DAMAGES, (INCLUDING, BUT NOT LIMITED TO, REASONABLE ATTORNEYS' FEES AND COURT COSTS, WHETHER THE FEES AND COSTS ARE INCURRED IN NEGOTIATIONS, AT THE TRIAL LEVEL OR ON APPEAL, OR IN THE COLLECTION OF ATTORNEYS' FEES), ARISING OUT OF ANY ACTS, ACTIONS, BREACHES, NEGLIGENCE OR OMISSIONS OF THE CONTRACTOR, OR THE CONTRACTOR'S OFFICERS, EMPLOYEES, AGENTS, SUB-CONTRACTORS, SUB-CONSULTANTS, AND OTHER PERSONS EMPLOYED OR UTILIZED BY THE CONTRACTOR IN THE PERFORMANCE OF, OR THE FAILURE TO PERFORM, THIS CONTRACT. THIS CONTRACT DOES NOT CONSTITUTE A WAIVER OF SOVEREIGN IMMUNITY OR CONSENT BY THE CITY OR ITS SUBDIVISIONS TO SUIT BY THIRD PARTIES.**
- B. FURTHER, THE CONTRACTOR MUST FULLY INDEMNIFY, DEFEND, AND HOLD HARMLESS THE CITY OF NORTH PORT, FLORIDA, FROM ANY SUITS, ACTIONS, DAMAGES, AND COSTS OF EVERY NAME AND DESCRIPTION, INCLUDING ATTORNEYS' FEES, ARISING FROM, OR RELATING TO VIOLATION OR INFRINGEMENT OF A TRADEMARK, COPYRIGHT, PATENT, TRADE SECRET, OR INTELLECTUAL PROPERTY RIGHT.**
- C. The City must provide all available information and assistance that the Contractor may reasonably require regarding any claim. In the event of a claim, the City must promptly notify the Contractor in writing by prepaid certified mail (return receipt requested) or by delivery through any nationally recognized courier service (Federal Express, UPS, USPS, or others) which provides evidence of delivery, at the address provided for receipt of notices in this Contract.

- D. The insurance coverage and limits required in this Contract may or may not be adequate to protect the City and the insurance coverage must not be deemed a limitation on the Contractor's liability under the indemnity provided in this section. In any proceedings between the parties arising out of or related to this indemnity provision, the prevailing party must be reimbursed all costs, expenses, and reasonable attorney fees through all proceedings (at both trial and appellate levels).
- E. This Contract must not be deemed to affect the rights, privileges, and immunities of the City as set forth in Florida Statutes Section 768.28.
- F. The terms of this section survive the termination or completion of this Contract.

10. TERMINATION.

- A. Termination with or without Cause. The City Manager or designee may terminate the work under this Contract with or without cause, in whole or in part, whenever the City Manager or designee determines that termination is in the City's best interest.
 - (1) Any termination must be effective by delivery to the Contractor of a written notice of termination at least thirty (30) calendar days before the date of termination, specifying the extent to which performance of the work is terminated and the date upon which the termination becomes effective.
 - (2) Except as otherwise directed, the Contractor must cease all work on the date of receipt of the notice of termination or other date specified in the notice; place no further orders or subcontracts for material, services, or facilities except as necessary for completion of the portion of the work not terminated; terminate all vendors and subcontracts; and settle all outstanding liabilities and claims.
 - (3) The Contractor must deliver to the City all documents (including but not limited to reports, designs, specifications, and all other data) prepared or obtained by the Contractor in connection with its services.
 - (4) The City must pay the Contractor in full settlement of all claims by it hereunder as the percentage of work completed bears to the entire work under this Contract, as determined by the City, less payments already made to the Contractor, and any amounts withheld by the City to settle claims or to pay indebtedness of the Contractor in accordance with the provisions of this Contract. The City has no obligation under any circumstance to make any payment to the Contractor for services that have not been performed or that are performed after the termination date.
- B. Termination for Non-Appropriation. The parties acknowledge and agree that the financial obligations of the City in this Contract, or any subsequent contract entered into, or referenced when the City is a party, are subject to the provisions of Florida Statutes Section 166.241, as amended, regardless of whether a particular obligation has been expressly so conditioned. Since funds are appropriated annually by the City Commission on a fiscal year basis, the City's legal liability for the payment of any costs must not arise unless and until appropriations for the costs are approved for the applicable fiscal year by the City Commission; nor will liability arise if a

request for the appropriations is excluded from the budget approved by the City Commission. Notwithstanding the foregoing, no Commissioner, officer, employee, director, member or other natural person or agent of the City will have any personal liability in connection with a breach of the provisions of this Section or in the event of a default by the City under this Section. This Contract does not constitute an indebtedness of the City nor an obligation of the City to levy or pledge any form of taxation nor an obligation for which the City has levied or pledged any form of taxation.

- C. Termination for Abandonment. If the Contractor abandons performance under this Contract, the City Manager or designee may terminate this Contract upon three (3) calendar days' written notice to the Contractor indicating the intention to do so. The written notice must state the evidence indicating the Contractor's abandonment.

- D. Contractor's Termination. The Contractor may terminate this Contract only in the event of the City failing to pay the Contractor's properly documented and submitted payment request within ninety (90) calendar days of the approval by the City's Administrative Agent, or if the project is suspended by the City for a period greater than ninety (90) calendar days.

- E. Court proceedings. The City Manager or designee reserves the right to terminate this Contract in the event the Contractor is placed in either voluntary or involuntary bankruptcy, a receiver is appointed for the Contractor, or an assignment is made for the benefit of creditors.

- F. Breach. In the event the Contractor is in breach of this Contract, the City must provide written notice of the breach and the Contractor will have ten (10) calendar days to cure, calculated from the date the Contractor receives the notice. If the Contractor fails to cure within the ten (10) calendar days, the City Manager or designee can immediately terminate the Contract and/or refuse to make any additional payment, in whole or in part, and may demand the return of a portion or the entire amount previously paid to Contractor due to:
 - (1) The quality of a portion or all the Contractor's work not being in accordance with the requirements of this Contract;
 - (2) The quantity of the Contractor's work not being as represented in the Contractor's payment request, or otherwise;
 - (3) The Contractor's rate of progress is, in the City's opinion, whether substantial or final completion, or both, inexcusably delayed;
 - (4) The Contractor's failure to pay the Contractor's project related obligations including, but not limited to, subcontractors, laborers, materialmen, equipment, and other suppliers;
 - (5) Claims made, or likely to be made, against the City or its property;
 - (6) Loss caused by the Contractor;
 - (7) The Contractor's failure or refusal to perform any of the obligations to the City, after written notice and a reasonable opportunity to cure, as set forth above; or

(8) Violation of any local, state, or federal law in the performance of this Contract constitutes a breach of this Contract.

G. Waiver. Any delay or failure to enforce any breach of this Contract by either the City or the Contractor will not be binding upon the waiving party unless the waiver is in writing. In the event of a written waiver, the waiver will not affect the waiving party's rights with respect to any other or further breach. The making or acceptance of a payment by either party with knowledge of the existence of a default or breach must not operate or be construed to operate as a waiver of any subsequent default or breach.

H. Payment adjustments. If the City makes written demand upon the Contractor for amounts previously paid by the City, the Contractor must promptly comply with the demand. The City's rights hereunder survive the term of this Contract and are not waived by final payment and/or acceptance.

I. E-Verify Violation.

(1) If the City has a good faith belief that the Contractor has knowingly violated Florida Statutes Section 448.09(1), then this Contract may be terminated by the City.

(2) If the City has a good faith belief that a subcontractor has knowingly violated Florida Statutes Section 448.09(1), but the Contractor has otherwise complied, then the City must promptly notify the Contractor and order the Contractor to immediately terminate this Contract with the subcontractor.

(3) The Contractor must comply with Florida Statutes Section 448.095(2) for any challenge to termination of this Contract under this Section.

J. Remedies. In the event of a default or breach of the Contract terms, the City may avail itself of every remedy specifically given to it now existing at law or in equity, and every remedy must be in addition to every other remedy so specifically given or otherwise so existing and may be exercised from time to time and as often and in the order as may be deemed expedient by the City. The exercise, or the beginning of the exercise, of one remedy must not be deemed to be a waiver of the right to exercise, at the same time or thereafter, any other remedy. The City's rights and remedies as set forth in this Contract are not exclusive and are in addition to any other rights and remedies available to it in law or in equity.

11. EQUAL EMPLOYMENT OPPORTUNITY.

- (1) A Contractor that has been found to have provided a false certification may be subject to a civil penalty equal to the greater of \$2 million or twice the amount of the Contract, plus all reasonable attorney's fees and costs, including any costs for investigations that led to the finding of the false certification; and
 - (2) Will be ineligible to bid on any contract with the City for three (3) years after the date the City determined that the Contractor submitted a false certification.

15. FORCE MAJEURE.

- A. Should performance of any obligation created under this Contract become illegal or impossible by reason of:
- (1) A strike or work stoppage, unless caused by a negligent act or omission of either party;
 - (2) An act of God, tornado, hurricane, flood, sinkhole, fire, explosion, landslide, earthquake, epidemic, pandemic, quarantine, pestilence, or extremely abnormal and excessively inclement weather;
 - (3) An act of a public enemy, act of war, terrorism, effect of nuclear radiation, blockage, insurrection, riot, civil disturbance, state of martial law, or national or international calamity;
 - (4) A declared emergency of the federal, state, or local government; or

- (7) The excuse of performance is no greater in scope or duration than required by the event of *force majeure*;
 - (8) No obligations of either party that arose before the *force majeure* are excused as a result of the event of *force majeure*; and
 - (9) The non-performing party uses all reasonable diligence to remedy its inability to perform.
- B. Economic hardship of a party does not constitute an event of *force majeure*. A party must not be excused from performance due to forces that it could have reasonably prevented, removed, or remediated prior to, during, or immediately after their occurrence.
 - C. The non-performing party's affected obligations under this Contract will be temporarily suspended during, but not longer than, the continuance of the event of *force majeure* and a reasonable time thereafter as may be required to commence or resume performance of its obligations. Notwithstanding the above, performance will not be excused under this Section for a period exceeding two (2) consecutive months, provided that in extenuating circumstances, the City may excuse performance for a longer term.
 - D. The term of this Contract will be extended by a period equal to that during which the non-performing party's performance is suspended under this Section.
