Re: Letter of Intent to Include District Roads
Constructed into the existing Traffic Enforcement Agreement

Dear Captain Fussell,

As you know, in February 2020, the District and City of North Port entered into a Traffic Enforcement Agreement (TEA) which operates to provide City Of North Port Police Department the authority exercise jurisdiction over roads owned by the WVID to enforce the State Uniform Traffic Code provisions.

The TEA currently does not include any recently constructed District owned roads. The District is requesting that the names of the newly constructed roads below now be included in the TEA.

- Wellen Park Boulevard
- Market Way
- Springtide Way
- Sunglow Boulevard
- Radiant Way

District staff is ready to provide any information you will need to accomplish this addendum to the TEA.

Thank you,

John Luczynski
Chairman, West Villages Improvement District
