

## **City Commission Uniform Policy**

The City Commission gave direction to formalize a policy regarding City of North Port shirts being purchased for the individual City Commissioners.

Upon election to office, a Commissioner will be entitled to a City of North Port shirt purchased by the City. The following year, an individual Commissioner will not be entitled to a shirt purchased by the City. At the beginning of the third year in office, a Commissioner will be entitled to another shirt purchased by the City. This every other year purchase will start over if the Commissioner is re-elected to office.

In years that a Commissioner is selected by their peers to be either Mayor or Vice-Mayor, the individual selected for either position will be entitled to another City purchased shirt with the title of Mayor or Vice-Mayor, as appropriate. If selected in an off-year from the normal schedule, this purchase will not alter the schedule as defined above.

Nothing in this policy is meant to forbid the individual Commissioner from purchasing a City of North Port shirt or other items with their own funds.
