130 may use its currently appointed code enforcement board or

159 through the use of a speed detection system for the detection of
160 speed and capturing of photographs or videos for violations in
161 excess of 10 miles per hour over the speed limit in force at the
162 time of the violation. A school zone's compliance with s.
163 316.1895 creates a rebuttable presumption that the school zone
164 is properly maintained.

165 (b) A county or municipality may place or install, or
166 contract with a vendor to place or install, a speed detection
167 system within a roadway maintained as a school zone as provided
168 in s. 316.1895 to enforce unlawful speed violations, as
169 specified in s. 316.1895(10) or s. 316.183, on that roadway.

170 (c) A county or municipality must enact an ordinance in
171 order to authorize the placement or installation of a speed
172 detection system on a roadway maintained as a school zone as
173 authorized by this subsection. As part of the public hearing on

installation and operation of each proposed school zone speed detection system, and the county or municipality must determine that the school zone where a speed detection system is to be placed or installed constitutes a heightened safety risk that warrants additional enforcement measures pursuant to this subsection.

Section 3. Subsection (3) is added to section 316.0776, Florida Statutes, to read:

316.0776 Traffic infraction detectors; speed detection systems; placement and installation.—

(3) A speed detection system authorized by s. 316.008(9) may be placed or installed in a school zone on a state road when permitted by the Department of Transportation and in accordance with placement and installation specifications developed by the Department of Transportation. The speed detection system may be placed or installed in a school zone on a street or highway under the jurisdiction of a county or a municipality in accordance with placement and installation specifications established by the Department of Transportation. The Department of Transportation must establish such placement and installation specifications by December 31, 2023.

(a) If a county or municipality places or installs a speed detection system as authorized by s. 316.008(9), the county or municipality must notify the public that a speed detection system may be in use by posting signage indicating photographic

201 or video enforcement of the school zone speed limits. Such
202 signage shall clearly designate the time period during which the
203 school zone speed limits are enforced using a speed detection
204 system and must meet the placement and installation
205 specifications established by the Department of Transportation.
206 For a speed detection system enforcing violations of s. 316.1895
207 or s. 316.183 on a roadway maintained as a school zone, this
208 paragraph governs the signage notifying the public of the use of
209 a speed detection system.

210 (b) If a county or municipality begins a school zone speed
211 detection system program in a county or municipality that has
212 never conducted such a program, the respective county or
213 municipality must make a public announcement and conduct a
214 public awareness campaign of the proposed use of speed detection
215 systems at least 30 days before commencing enforcement under the
216 speed detection system program and must notify the public of the
217 specific date on which the program will commence. During the 30-
218 day public awareness campaign, only a warning may be issued to
219 the registered owner of a motor vehicle for a violation of s.
220 316.1895 or s. 316.183 enforced by a speed detection system, and
221 liability may not be imposed for the civil penalty under s.
222 318.18(3)(d).

223 (c) A county or municipality that operates one or more
224 school zone speed detection systems must annually report the
225 results of all systems within the county's or municipality's

jurisdiction by placing the report required under s.
316.1896(16) (a) as a single reporting item on the agenda of a
regular or special meeting of the county's or municipality's
governing body. Before a county or municipality contracts or
renews a contract to place or install a speed detection system
in a school zone pursuant to s. 316.008(9), the county or
municipality must approve the contract or contract renewal at a
regular or special meeting of the county's or municipality's
governing body.

1. Interested members of the public must be allowed to
comment regarding the report, contract, or contract renewal
under the county's or municipality's public comment policies or
formats, and the report, contract, or contract renewal may not
be considered as part of a consent agenda.

2. The report required under this paragraph must include a
written summary, which must be read aloud at the regular or
special meeting, and the summary must contain, for the same time
period pertaining to the annual report to the department under
s. 316.1896(16) (a), the number of notices of violation issued,
the number that were contested, the number that were upheld, the
number that were dismissed, the number that were issued as
uniform traffic citations, and the number that were paid and how
collected funds were distributed and in what amounts. The county
or municipality must report to the department that the county's
or municipality's annual report was considered in accordance

251 with this paragraph, including the date of the regular or
252 special meeting at which the annual report was considered.

253 3. The compliance or sufficiency of compliance with this
254 paragraph may not be raised in a proceeding challenging a
255 violation of s. 316.1895 or s. 316.183 enforced by a speed
256 detection system in a school zone.

257 Section 4. Section 316.1894, Florida Statutes, is created
258 to read:

259 316.1894 School Crossing Guard Recruitment and Retention
260 Program.—The law enforcement agency having jurisdiction over a
261 county or municipality conducting a school zone speed detection
262 system program authorized by s. 316.008(9) must use funds
263 generated pursuant to s. 316.1896(5)(e) from the school zone
264 speed detection system program to administer the School Crossing
265 Guard Recruitment and Retention Program. Such program may
266 provide recruitment and retention stipends to crossing guards at
267 K-12 public schools, including charter schools, or stipends to
268 third parties for the recruitment of new crossing guards. The
269 School Crossing Guard Recruitment and Retention Program must be
270 designed and managed at the discretion of the law enforcement
271 agency.

272 Section 5. Section 316.1896, Florida Statutes, is created

277 (1) For purposes of administering this section, a county
278 or municipality may authorize a traffic infraction enforcement
279 officer under s. 316.640 to issue uniform traffic citations for
280 violations of ss. 316.1895 and 316.183 as authorized by s.
281 316.008(9), as follows:

282 (a) For a violation of s. 316.1895 in excess of 10 miles
283 per hour over the school zone speed limit which occurs within 30
284 minutes before through 30 minutes after the start of a regularly
285 scheduled breakfast program.

286 (b) For a violation of s. 316.1895 in excess of 10 miles
287 per hour over the school zone speed limit which occurs within 30
288 minutes before through 30 minutes after the start of a regularly
289 scheduled school session.

290 (c) For a violation of s. 316.183 in excess of 10 miles
291 per hour over the posted speed limit during the entirety of a
292 regularly scheduled school session.

293 (d) For a violation of s. 316.1895 in excess of 10 miles

295 minutes before through 30 minutes after the end of a regularly
296 scheduled school session.

297
298 Such violation must be evidenced by a speed detection system

304 not prohibit a county or municipality from issuing notices as
305 provided in subsection (2) to the registered owner of the motor
306 vehicle for a violation of s. 316.1895 or s. 316.183.

307 (2) Within 30 days after a violation, notice must be sent
308 to the registered owner of the motor vehicle involved in the
309 violation specifying the remedies available under s. 318.14 and
310 that the violator must pay the penalty under s. 318.18(3)(d) to
311 the county or municipality, or furnish an affidavit in
312 accordance with subsection (8), within 30 days after the date of
313 the notice of violation in order to avoid court fees, costs, and
314 the issuance of a uniform traffic citation. The notice of
315 violation must:

316 (a) Be sent by first-class mail.

317 (b) Include a photograph or other recorded image showing
318 the license plate of the motor vehicle; the date, time, and
319 location of the violation; the maximum speed at which the motor
320 vehicle was traveling within the school zone; and the speed
321 limit within the school zone at the time of the violation.

322 (c) Include a notice that the owner has the right to
323 review, in person or remotely, the photograph or video captured
324 by the speed detection system and the evidence of the speed of
325 the motor vehicle detected by the speed detection system which

326 constitute a rebuttable presumption that the motor vehicle was
327 used in violation of s. 316.1895 or s. 316.183.

328 (d) State the time when, and the place or website at
329 which, the photograph or video captured and evidence of speed
330 detected may be examined and observed.

331 (3) Notwithstanding any other law, a person who receives a
332 notice of violation under this section may request a hearing
333 within 30 days after the notice of violation or may pay the
334 penalty pursuant to the notice of violation, but a payment or
335 fee may not be required before the hearing requested by the
336 person. The notice of violation must be accompanied by, or
337 direct the person to a website that provides, information on the
338 person's right to request a hearing and on all costs related
339 thereto and a form used for requesting a hearing. As used in
340 this subsection, the term "person" includes a natural person,
341 the registered owner or co-owner of a motor vehicle, or the
342 person identified in an affidavit as having actual care,
343 custody, or control of the motor vehicle at the time of the
344 violation.

345 (4) If the registered owner or co-owner of the motor
346 vehicle; the person identified as having care, custody, or
347 control of the motor vehicle at the time of the violation; or an
348 authorized representative of the owner, co-owner, or identified
349 person initiates a proceeding to challenge the violation, such

352 (5) Penalties assessed and collected by the county or
353 municipality authorized to collect the funds provided for in
354 this section, less the amount retained by the county or
355 municipality pursuant to paragraph (b) and paragraph (e) and the
356 amount remitted to the county school district pursuant to
357 paragraph (d), must be paid to the Department of Revenue weekly.
358 Such payment must be made by means of electronic funds transfer.
359 In addition to the payment, a detailed summary of the penalties
360 remitted must be reported to the Department of Revenue.
361 Penalties to be assessed and collected by the county or

363 as follows:

364 (a) Twenty dollars must be remitted to the Department of
365 Revenue for deposit into the General Revenue Fund.

(e) Five dollars must be retained by the county or municipality for the School Crossing Guard Recruitment and Retention Program pursuant to s. 316.1894.

(6) A uniform traffic citation must be issued by mailing the uniform traffic citation by certified mail to the address of the registered owner of the motor vehicle involved in the violation if payment has not been made within 30 days after notification under subsection (2), if the registered owner has not requested a hearing as authorized under subsection (3), and if the registered owner has not submitted an affidavit in accordance with subsection (8).

(a) Delivery of the uniform traffic citation constitutes notification of a violation under this subsection. If the registered owner or co-owner of the motor vehicle; the person identified as having care, custody, or control of the motor vehicle at the time of the violation; or a duly authorized representative of the owner, co-owner, or identified person initiates a proceeding to challenge the citation pursuant to this section, such person waives any challenge or dispute as to the delivery of the uniform traffic citation.

476 the motor vehicle at the time of the violation.

477 (9) Upon receipt of an affidavit under paragraph (8)(a),
478 the county or municipality may issue the person identified as
479 having care, custody, or control of the motor vehicle at the
480 time of the violation a notice of violation pursuant to
481 subsection (2) for a violation of s. 316.1895 or s. 316.183. The
482 affidavit is admissible in a proceeding pursuant to this section
483 for the purpose of providing evidence that the person identified
484 in the affidavit was in actual care, custody, or control of the
485 motor vehicle. The owner of a leased motor vehicle for which a
486 uniform traffic citation is issued for a violation of s.
487 316.1895 or s. 316.183 is not responsible for paying the uniform
488 traffic citation and is not required to submit an affidavit as
489 specified in subsection (8) if the motor vehicle involved in the
490 violation is registered in the name of the lessee of such motor
491 vehicle.

492 (10) If a county or municipality receives an affidavit
493 under paragraph (8)(a), the notice of violation required under
494 subsection (2) must be sent to the person identified in the
495 affidavit within 30 days after receipt of the affidavit. The
496 person identified in an affidavit and sent a notice of violation
497 may also affirm that he or she did not have care, custody, or
498 control of the motor vehicle at the time of the violation by
499 furnishing to the appropriate governmental entity within 30 days
500 after the date of the notice of violation an affidavit stating

501 such.

502 (11) The submission of a false affidavit is a misdemeanor
503 of the second degree, punishable as provided in s. 775.082 or s.
504 775.083.

505 (12) The photograph or video captured by a speed detection
506 system and the evidence of the speed of the motor vehicle
507 detected by a speed detection system which are attached to or
508 referenced in the uniform traffic citation are evidence of a
509 violation of s. 316.1895 or s. 316.183 and are admissible in any
510 proceeding to enforce this section. The photograph or video and
511 the evidence of speed detected raise a rebuttable presumption
512 that the motor vehicle named in the report or shown in the
513 photograph or video was used in violation of s. 316.1895 or s.
514 316.183.

515 (13) This section supplements the enforcement of ss.
516 316.1895 and 316.183 by a law enforcement officer and does not
517 prohibit a law enforcement officer from issuing a uniform
518 traffic citation for a violation of s. 316.1895 or s. 316.183.

519 (14) A hearing under this section must be conducted under
520 the procedures established by s. 316.0083(5) and as follows:

521 (a) The department must publish and make available
522 electronically to each county and municipality a model request
523 for hearing form to assist each county or municipality
524 administering this section.

525 (b) A county or municipality electing to authorize traffic

529 officer.

530 (c) A person, referred to in this subsection as the
531 "petitioner," who elects to request a hearing under subsection
532 (3) must be scheduled for a hearing by the clerk to the local
533 hearing officer. The clerk must furnish the petitioner with
534 notice sent by first-class mail. Upon receipt of the notice, the
535 petitioner may reschedule the hearing up to two times by
536 submitting a written request to reschedule to the clerk at least
537 5 calendar days before the day of the scheduled hearing. The
538 petitioner may cancel his or her appearance before the local
539 hearing officer by paying the penalty assessed under subsection
540 (2), plus the administrative costs established in s.
541 316.0083(5)(c), before the start of the hearing.

542 (d) All testimony at the hearing must be under oath and
543 must be recorded. The local hearing officer must take testimony
544 from a traffic infraction enforcement officer and the petitioner
545 and may take testimony from others. The local hearing officer
546 must review the photograph or video captured by the speed
547 detection system and the evidence of the speed of the motor

551 (e) At the conclusion of the hearing, the local hearing
552 officer must determine whether a violation under this section
553 occurred and must uphold or dismiss the violation. The local
554 hearing officer must issue a final administrative order
555 including the determination and, if the notice of violation is
556 upheld, must require the petitioner to pay the penalty
557 previously assessed under subsection (2), and may also require
558 the petitioner to pay county or municipal costs not to exceed
559 the amount established in s. 316.0083(5) (e). The final
560 administrative order must be mailed to the petitioner by first-
561 class mail.

562 (f) An aggrieved party may appeal a final administrative
563 order consistent with the process provided in s. 162.11.

564 (15) (a) A speed detection system in a school zone may not
565 be used for remote surveillance. The collection of evidence by a
566 speed detection system to enforce violations of ss. 316.1895 and
567 316.183, or user-controlled pan or tilt adjustments of speed
568 detection system components, do not constitute remote
569 surveillance. Recorded video or photographs collected as part of
570 a speed detection system in a school zone may only be used to
571 document violations of ss. 316.1895 and 316.183 and for purposes
572 of determining criminal or civil liability for incidents
573 captured by the speed detection system incidental to the

use of a speed detection system must be destroyed within 90 days after the final disposition of the recorded event. The vendor of a speed detection system must provide the county or municipality with written notice by December 31 of each year that such records have been destroyed in accordance with this subsection.

(c) Notwithstanding any other law, registered motor vehicle owner information obtained as a result of the operation of a speed detection system in a school zone is not the property of the manufacturer or vendor of the speed detection system and may be used only for the purposes of this section.

(16) (a) Each county or municipality that operates one or more speed detection systems must submit a report by October 1, 2024, and annually thereafter, to the department which identifies the public safety objectives used to identify a school zone for enforcement under this section, reports compliance with s. 316.0776(3)(c), and details the results of the speed detection system in the school zone and the procedures for enforcement. The information from counties and municipalities must be submitted in a form and manner determined by the department, which the department must make available to the counties and municipalities by August 1, 2023, and the department may require data components to be submitted quarterly. The report must include at least the following:

605 enforced at times other than those authorized by s. 316.1895(5),
606 the date the systems were activated to enforce violations of ss.
607 316.1895 and 316.183, and, if applicable, the date the systems
608 were deactivated.

609 2. The number of notices of violation issued, the number
610 that were contested, the number that were upheld, the number
611 that were dismissed, the number that were issued as uniform
612 traffic citations, and the number that were paid.

613 3. Any other statistical data and information related to
614 the procedures for enforcement which is required by the
615 department to complete the report required under paragraph (c).

616 (b) Each county or municipality that operates a speed
617 detection system is responsible for and must maintain its
618 respective data for reporting purposes under this subsection for
619 at least 2 years after such data is reported to the department.

620 (c) On or before December 31, 2024, and annually
621 thereafter, the department must submit a summary report to the
622 Governor, the President of the Senate, and the Speaker of the
623 House of Representatives regarding the use of speed detection
624 systems under this section, along with any legislative
625 recommendations from the department. The summary report must
